

Reading Specialist

Praxis Scores: 2022-2023

2022-2023 Praxis (N=4): All students took and passed the Reading Specialist Praxis. Our program has a 100% pass rate, compared to the overall state pass rate of 77%. The average score achieved by students was 173 (qualifying score is 165). The program has very strong overall scores and sub-scores on the Reading Specialist Praxis, compared to the established passing criteria and national and state averages. These results indicate that our candidates are achieving content competency at the completion of the program. Students do particularly well in the categories of curriculum and instruction and application, in which they examine cases of children and apply their overall understanding of what teaching literacy entails.
