2023-2024: Lesson Plan Evaluation

2023-2024 ETSU Lesson Plan Rubric (N=4): Students successfully completed a lesson plan in READ 5231 in spring 2024 (N=4). Overall, students met or exceeded expectations on the lesson plan rubric. The overall lesson plan average score increased from 2.3 (midpoint score) to 2.6 (final score). Students continued to score high in curriculum standards (3), essential questions (3), materials (3), and writing clarity (3) with slight increases in materials and writing clarity from the midpoint score. Areas for improvement still included academic feedback, knowing your learners, and questions for higher order thinking. However, scores showed improvement from midpoint to final: academic feedback (2.25), knowing your learners (2.5), and questions for higher order thinking (2.5).
