additional course.

Entrance and Exit Requirements:

To begin the add-on, complete the Declaration of Intent to Pursue Additional Teaching Endorsements.

Any substitution requests in add-on programs require a completed Course Substitution Form, which must be
routed through the certification officer.

Teacher education students who are pursuing initial teaching license and wish to add credits toward an add-on
endorsement may do so. Please be advised: An add-on program does not necessarily meet the requirements of a minor, and substitutions or approvals made for teaching add-ons do not take the place of catalog
requirements or departmental advisement for degree purposes.

Courses counted toward an add-on must have a minimum grade of "C" (2.0) or equivalent unless otherwise
stated in this program sheet.

Add-ons will not be verified unless all requirements for initial Tennessee teaching license are met.

Praxis II Subject Area tests are required for add-ons. Go to https://www.ets.org/praxis/tn for current Praxis II
information for Tennessee. When registering for the tests, be sure to designate East Tennessee State
University, Recipient Code 1198, and Tennessee Dept. of Education, Recipient Code 8190, to receive a copy of
your score report. Also, note that Tennessee requires a Social Security number to process educator certification
paperwork.

When courses and Praxis tests are complete, please contact the Certification Officer to have the college
recommendation for endorsement submitted to your account on TNCompass.
