

M3 Required Patient Procedures List

Rotation	Diagnosis	Procedure	Location	Level of Student Responsibility	# required	Live/virtual/either
Global Requirements		QCOM: Injections-subcutaneous - perform	either	perform	1	Live
Global Requirements		QCOM: Perform universal precautions techniques: disposal of biohazards and sharps	either	perform	1	Live
Global Requirements		QCOM: Perform universal precautions techniques: use of gowns, gloves, appropriate masks and safety goggles when indicated	either	perform	1	Live
Global Requirements		QCOM: Prostate Exam-perform	either	perform	1	Live
Global Requirements		QCOM: Stool guaiac testing-perform	either	perform	1	Live
Jr. Underserved Medicine	Diabetes - patient encounter		Outpatient	perform	1	Live
Jr. Underserved Medicine	Hypertension - patient encounter		Outpatient	perform	1	Live
Jr. Underserved Medicine	Obesity - patient encounter			perform	1	Live
Jr. Underserved Medicine	Substance Use Disorder (alcohol, tobacco, or prescription opiates) - patient encounter		Outpatient	perform	1	Live
Jr. Underserved Medicine		Patient needs assessment to include: History & Physical-observed by supervisor, perform a PREPARE SDOH worksheet, nutritional assessment and occupational medicine assessment	Outpatient	Perform	1	Live
Jr. Underserved Medicine		Phlebotomy - perform	Outpatient	Perform	1	Live
Jr. Underserved Medicine		Adult Health Promotion/Disease Prevention Education	Outpatient	Perform	1	Live
Jr. Underserved Medicine		Body Mass Index of an Adult	Outpatient	Perform	1	Live

M3 Required Patient Procedures List

Rotation	Diagnosis	Procedure	Location	Level of Student Responsibility	# required	Live/virtual/either
Jr. Underserved Medicine		Diabetic Foot Exam	Outpatient	Perform	1	Live
Jr. Underserved Medicine		Glucose test finger stick and interpretation	Outpatient	Perform	1	Live
Jr. Underserved Medicine		Pure Tone Hearing Test-perform	Outpatient	perform	1	Live
Jr. Underserved Medicine		Urine dipstick test-perform and interpret results	Outpatient	Perform	1	Live
Jr. Underserved Medicine		Vital Signs: perform temperature, pulse, respiration and blood pressure	Outpatient	Perform	1	Live
Jr. Family Medicine	Anxiety-assist with patient encounter		either	assist	1	Either
Jr. Family Medicine	Asthma/ COPD-assist with a patient encounter		either	assist	1	Either
Jr. Family Medicine	Chest Pain-assist with a patient encounter		either	assist	1	Either
Jr. Family Medicine	Depression-assist with a patient encounter		either	assist	1	Either
Jr. Family Medicine	Diabetes Mellitus-assist with a patient encounter		either	assist	1	Either
Jr. Family Medicine	Dyslipidemia-assist with a patient encounter		either	assist	1	Either
Jr. Family Medicine	UTI -assist with a patient encounter		either	assist	1	Either
Jr. Family Medicine	Hypertension-assist with a patient encounter		either	assist	1	Either
Jr. Family Medicine	Muscular pain complaint-assist with a patient encounter		either	assist	1	Either
Jr. Family Medicine	Substance Use Disorder (alcohol, tobacco or prescription opiates)-assist with patient encounter		either	assist	1	Either
Jr. Family Medicine		IPE Clinic Visit		perform	1	

M3 Required Patient Procedures List

Rotation	Diagnosis	Procedure	Location	Level of Student Responsibility	# required	Live/virtual/either
Jr. Family Medicine		Chest x-ray interpretation-perform	either	perform	1	Either
Jr. Family Medicine		EKG interpretation-perform	either	perform	1	Either
Jr. Family Medicine		Health Promotion/Disease Prevention education: Adult-perform	either	perform	1	Either
Jr. Family Medicine		Health Promotion/Disease Prevention education: Child-adolescent: perform	either	perform	1	Either
Jr. Family Medicine		Health Promotion/Disease Prevention education: Elderly-perform	either	perform	1	Either
Jr. Family Medicine		History & Physical-observed by supervisor: perform relevant portions of a patient history and perform a physical and/or mental status exam	either	perform	1	Either
Jr. Family Medicine		Injection-intramuscular -perform	either		1	Either
Jr. Family Medicine		Mid-clerkship review with attending		1	
Jr. Internal Medicine	Cardiovascular Disorders		Inpatient	perform	1	Either
Jr. Internal Medicine	Endocrine Disorders		Inpatient	perform	1	Either
Jr. Internal Medicine	Gastrointestinal Disorders		Inpatient	perform	1	Either
Jr. Internal Medicine	Hematologic Disorders		Inpatient	perform	1	Either
Jr. Internal Medicine	Infectious Diseases		Inpatient	perform	1	Either
Jr. Internal Medicine	Multisystem Disorders		Inpatient	perform	1	Either
Jr. Internal Medicine	Neurologic Disorders		Inpatient	perform	1	Either
Jr. Internal Medicine	Pulmonary Disorders		Inpatient	perform	1	Either

M3 Required Patient Procedures List

Rotation	Diagnosis	Procedure	Location	Level of Student Responsibility	# required	Live/virtual/either
Jr. Internal Medicine	Renal Disorders		Inpatient	perform	1	Either
Jr. Internal Medicine		Complete a history and physical write-up for review by attending	inpatient	perform	6	Live
Jr. Internal Medicine		EKG Interpretation -perform	either	perform	5	Either
Jr. Internal Medicine		History & Physical-observed by supervisor: perform relevant portions of a patient history and perform a physical and/or mental status exam	inpatient	perform	1	Live
Jr. Internal Medicine		Mid-clerkship review with attending		1	Either
Jr. Internal Medicine		Peripheral blood smear-review and Interpret results-perform	inpatient	perform	1	Either
Jr. Internal Medicine		Urinalysis-Interpret and report results-perform	either	perform	1	Either
Jr. OB/GYN	Abnormal Uterine Bleeding-assist		Outpatient	Assist	1	Either
Jr. OB/GYN	Active Labor-perform		Inpatient	perform	1	Live
Jr. OB/GYN	Contraceptive Counseling-assist		Outpatient	Assist	1	Either
Jr. OB/GYN	Dysmenorrhea/ Pelvic Pain-assist		Outpatient	Assist	1	Either
Jr. OB/GYN	Pap Smear/ Preventative Health-perform		Outpatient	perform	1	Live
Jr. OB/GYN	Pregnancy: High risk-assist		either	Assist	1	Either
Jr. OB/GYN	Pregnancy: Low risk-perform		Outpatient	perform	1	Either
Jr. OB/GYN	Pregnancy: with Substance Abuse-perform		Outpatient	perform	1	Either
Jr. OB/GYN	Preterm Labor-assist		Inpatient	Assist	1	Either
Jr. OB/GYN	STI Including Vaginal Discharge-perform		Outpatient	perform	1	Either
Jr. OB/GYN		Basic Fetal Heart Tracing-perform	inpatient	perform	1	Either
Jr. OB/GYN		DNA Vaginal Pathogen Probe-Perform	either		1	Live
Jr. OB/GYN		Evidence Based Presentation-perform	perform	1	Either

M3 Required Patient Procedures List

Rotation	Diagnosis	Procedure	Location	Level of Student Responsibility	# required	Live/virtual/either
Jr. OB/GYN		History & Physical-observed by supervisor: perform relevant portions of a patient history and perform a physical and/or mental status exam	either	perform	1	Either
Jr. OB/GYN		Labor note-perform	inpatient	perform	1	Either
Jr. OB/GYN		Laparoscopy-observe	inpatient	observe	1	Either
Jr. OB/GYN		LTCS-low transverse Cesarean delivery-observe	inpatient	observe	1	Either
Jr. OB/GYN		Mid-clerkship review with director		1	Either
Jr. OB/GYN		OB Note-perform	inpatient	perform	1	Either
Jr. OB/GYN		Pelvic Examination-Perform	either	perform	1	Live
Jr. OB/GYN		Suturing-successfully perform	inpatient	perform	1	Live
Jr. OB/GYN		SVD-spontaneous vaginal delivery-observe	inpatient	observe	1	Either
Jr. OB/GYN		Ultrasound-observe	either	observe	1	Either
Jr. Pediatrics	Abdominal Pain-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Constipation-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Dehydration-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Dermatitis-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Diabetes-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Eye Problem-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Feeding Problems-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Fever /Sepsis-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Gastroenteritis-assist in a patient encounter		either	assist	1	Either

M3 Required Patient Procedures List

Rotation	Diagnosis	Procedure	Location	Level of Student Responsibility	# required	Live/virtual/either
Jr. Pediatrics	Growth Disorder /Failure to Thrive-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Headache-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Heart Murmur-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Otitis Media-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Pharyngitis-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Pneumonia-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Respiratory Distress/Wheezing-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Rhinitis-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	School Problems-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Seizure-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics	Traumatic Injury/ Child Abuse-assist in a patient encounter		either	assist	1	Either
Jr. Pediatrics		History & Physical on assigned patient observed by clerkship director: perform relevant portions of a patient history and perform a physical and/or mental status exam	either	perform	1	Live
Jr. Pediatrics		Mid-clerkship review with director	1	Live
Jr. Pediatrics		Normal Newborn exam-assist provider	either	assist	1	Live
Jr. Pediatrics		Well-child exam-assist provider	either	assist	1	Live
Jr. Pediatrics	Respiratory Infection		either	assist	1	Live
Jr. Pediatrics	Urinary Tract Infection		either	assist	1	Live
Jr. Pediatrics	Prematurity		either	assist	1	Live

M3 Required Patient Procedures List

Rotation	Diagnosis	Procedure	Location	Level of Student Responsibility	# required	Live/virtual/either
Jr. Psychiatry	Anxiety Disorders: min. 2 pts/ min. 2 dx: perform interview, H&P, observation, and/or participate in the treatment team discussion		either	perform	2	Either
Jr. Psychiatry	Child & Adolescent Disorders: min 2 pts/ min. 1 dx: perform interview, H&P, observation, and/or participate in the treatment team discussion		either	perform	2	Either
Jr. Psychiatry	Cognitive Disorders: perform interview, H&P, observation, and/or participate in the treatment team discussion		either	perform	1	Either
Jr. Psychiatry	Mood Disorders: min. 4 pts/ min. 2 dx: perform interview, H&P, observation, and/or participate in the treatment team discussion		either	perform	4	Either
Jr. Psychiatry	Personality Disorders: perform interview, H&P, observation, and/or participate in the treatment team discussion		either	perform	1	Either
Jr. Psychiatry	Post-Traumatic Stress Disorder: perform interview, H&P, observation, and/or participate in the treatment team discussion		either	perform	1	Either
Jr. Psychiatry	Psychotic Disorders: min. 2 pts/ min. 2 dx: perform interview, H&P, observation, and/or participate in the treatment team discussion		either	perform	2	Either
Jr. Psychiatry	Substance Use Disorder-Alcohol: 2 pts: perform interview, H&P,		either	perform	2	Either

M3 Required Patient Procedures List

Rotation	Diagnosis	Procedure	Location	Level of Student Responsibility	# required	Live/virtual/either
	observation, and/or participate in the treatment team discussion					
Jr. Psychiatry	Substance Use Disorder-other than alcohol: min 2 pts/ min 2 dx: perform interview, H&P, observation, and/or participate in the treatment team discussion		either	perform	2	Either
Jr. Psychiatry		ECT-observe at VA	inpatient	perform	1	Either
Jr. Psychiatry		History & Physical-observed by supervisor: perform relevant portions of a patient history and perform a physical and/or mental status exam	either	perform	1	Either
Jr. Psychiatry		Mid-clerkship review with director	perform	1	Either
Jr. RPCT Primary Care	Anxiety-assist with a patient encounter		outpatient	assist	1	Live
Jr. RPCT Primary Care	Asthma/COPD-assist with a patient encounter		outpatient	assist	1	Live
Jr. RPCT Primary Care	Chest pain-assist with a patient encounter		outpatient	assist	1	Live
Jr. RPCT Primary Care	Depression-assist with a patient encounter		outpatient	assist	1	Live
Jr. RPCT Primary Care	Diabetes mellitus type 2-perform patient encounter		outpatient	assist	1	Live
Jr. RPCT Primary Care	Dyslipidemia-assist with a patient encounter		outpatient	assist	1	Live
Jr. RPCT Primary Care	Dysuria/ UTI/ Urosepsis-assist with a patient encounter		outpatient		1	Live
Jr. RPCT Primary Care	Hypertension-perform patient encounter		outpatient	assist	1	Live
Jr. RPCT Primary Care	Muscular pain complaint-assist with a patient encounter		outpatient	assist	1	Live
Jr. RPCT Primary Care	Obesity-perform patient encounter		outpatient	perform	1	Live

M3 Required Patient Procedures List

Rotation	Diagnosis	Procedure	Location	Level of Student Responsibility	# required	Live/virtual/either
Jr. RPCT Primary Care	Substance Use disorder (alcohol, tobacco or prescription opiates): perform patient encounter		outpatient	assist	4	Live
Jr. RPCT Primary Care		Ambulatory Preventive Medicine Exercise	outpatient	perform	1	Live
Jr. RPCT Primary Care		Behavioral Change/Motivational Interview	outpatient	perform	1	Live
Jr. RPCT Primary Care		Body Mass Index of an Adult-perform	outpatient	perform	1	Either
Jr. RPCT Primary Care		Chest x-ray interpretation-perform	outpatient	perform	1	Either
Jr. RPCT Primary Care		Diabetic Foot Exam-perform	outpatient	perform	1	Live
Jr. RPCT Primary Care		EKG interpretation-perform	outpatient	perform	1	Either
Jr. RPCT Primary Care		ER/EMS Ride Along-perform	perform	1	Live
Jr. RPCT Primary Care		Glucose test finger stick-perform and interpret	either	perform	1	Live
Jr. RPCT Primary Care		Health Promotion/Disease Prevention Education: Adult-perform	outpatient	perform	1	Either
Jr. RPCT Primary Care		Health Promotion/Disease Prevention education: Child-Adolescent-perform	outpatient	perform	1	Either
Jr. RPCT Primary Care		Health Promotion/Disease Prevention Education: Elderly-perform	outpatient	perform	1	Either
Jr. RPCT Primary Care		History & Physical-observed by supervisor: perform relevant portions of a patient history and perform a physical and/or mental status exam	outpatient	perform	1	Live
Jr. RPCT Primary Care		Injection-intramuscular -perform	either	perform	1	Either
Jr. RPCT Primary Care		Mid-clerkship review with director	perform	1	Live
Jr. RPCT Primary Care		Patient needs assessment to include: History & Physical-observed by	outpatient	perform	1	Live

M3 Required Patient Procedures List

Rotation	Diagnosis	Procedure	Location	Level of Student Responsibility	# required	Live/virtual/either
		supervisor, perform a PREPARE SDOH worksheet, nutritional assessment and occupational medicine assessment				
Jr. RPCT Primary Care		Phlebotomy-perform	outpatient	perform	1	Either
Jr. RPCT Primary Care		Physical therapy assessment-perform	outpatient	perform	1	Live
Jr. RPCT Primary Care		Pure Tone hearing test-perform	outpatient	perform	1	Live
Jr. RPCT Primary Care		Urine dipstick test-perform & interpret results	outpatient	perform	1	Either
Jr. RPCT Primary Care		Vital Signs: take temperature, pulse, respiration, and blood pressure	outpatient	perform	1	Either
Jr. Surgery	Abscess		either	perform	1	Live
Jr. Surgery	Appendicitis		inpatient	assist	1	Live
Jr. Surgery	Biliary Tract Disorders		inpatient	perform	1	Live
Jr. Surgery	Bowel Obstruction		inpatient	perform	1	Live
Jr. Surgery	Breast Disease		either	perform	1	Live
Jr. Surgery	Colon Disorders		inpatient	perform	1	Live
Jr. Surgery	Gastrointestinal Cancer		inpatient	perform	1	Live
Jr. Surgery	Hernia		either	perform	1	Live
Jr. Surgery	Trauma		inpatient	assist	1	Live
Jr. Surgery		Nutrition services: participate in care of a patient requiring counseling and instruction for TPN, tube feeding, and/or dietician consult	inpatient	assist	1	Either
Jr. Surgery		Pain Management and Substance use disorders: participate in patient counseling and instruction for non-opiate pain management	inpatient	assist	1	Either

M3 Required Patient Procedures List

Rotation	Diagnosis	Procedure	Location	Level of Student Responsibility	# required	Live/virtual/either
Jr. Surgery		QI/Patient Safety: participate in care of patient experiencing postoperative complications	inpatient	assist	1	Either
Jr. Surgery		Rehabilitation: participate in care of a patient requiring therapy services: PT, OT, Speech or Play therapy	inpatient	assist	1	Either
Jr. Surgery		Transition of Care: Give or receive a patient handover to transition care responsibility	inpatient	perform	1	Live
Jr. Surgery		Arterial puncture - perform	inpatient	perform	1	Live
Jr. Surgery		Aseptic technique-demonstrate	inpatient	perform	1	Live
Jr. Surgery		Bacterial culture-collect, perform and interpret results	inpatient	perform	1	Live
Jr. Surgery		Foley catheter- perform insertion	inpatient	perform	1	Live
Jr. Surgery		History & Physical-observed by supervisor: perform relevant portions of a patient history and perform a physical and/or mental status exam	either	perform	1	Live
Jr. Surgery		Mid-clerkship review with director		1	Live
Jr. Surgery		Nasogastric tube insertion - perform	inpatient	perform	1	Live
Jr. Surgery		Suturing-successfully demonstrate	either	perform	1	Live
Jr. Surgery		Tube Thoracotomy (live or in sim lab)	inpatient	perform	1	Live
Jr. Surgery		Venipuncture - perform	either	perform	1	Live
Transition to Jr. Clerkships		· ABG (simulated)		perform	1	Either
Transition to Jr. Clerkships		· ASEPTIC TECHNIQUE (scrub, gown & glove)		perform	1	Live
Transition to Jr. Clerkships		· AIRWAY MANAGEMENT (simulated)		perform	1	Live
Transition to Jr. Clerkships		· FOLEY (simulated)		perform	1	Live
Transition to Jr. Clerkships		· HAND HYGIENE		perform	1	Live

M3 Required Patient Procedures List

Rotation	Diagnosis	Procedure	Location	Level of Student Responsibility	# required	Live/virtual/either
Transition to Jr. Clerkships		· KNEE INJECTION (simulated)		perform	1	Live
Transition to Jr. Clerkships		· IV INSERTION (simulated)		perform	1	Virtual
Transition to Jr. Clerkships		· PELVIC EXAM (simulated, not GTA)		perform	1	Live
		· SUBCUTANEOUS INJECTION (on self)		perform	1	Live
		· SUTURING (simulated)		perform	1	Live
		· ULTRASOUND FAST EXAM (simulated)		perform	1	Live
