</tr>
</tbody>
</table>
9:05 AM – 10:00 AM  Keeping Children and Adolescents with Down Syndrome Healthy: All the Medical Updates That Healthcare Professionals Need to Know  *Brian Skotko, MD, MPP*

- Learn about the latest advances in healthcare for children and young adults with Down syndrome.
- Learn how to ensure that people with Down syndrome receive the best healthcare.
- Identify resources to maximize the health and well-being of people with Down syndrome.

10:00 AM – 10:15 AM  Break and Exhibitors

10:15 AM – 11:10 AM  *HIV Infection 101*
*Jonathon Moorman, MD, MPH*

- No objectives available

11:10 AM – 12:05 PM  *ICD 10-CM*
*Paula Wright*

- Apply specificity to patients’ conditions, problems, signs and/or symptoms for accurate diagnosis coding and reporting
- Understand the importance of proper documentation to identify more detailed conditions

12:05 PM – 1:05 PM  Lunch and Exhibitors

1:05 PM – 2:40 PM  *Aberrant Behavior in Patients with Dementia*
*Ronald Hamdy, MD*

- Understand some mechanisms leading to aberrant behavior in patients with dementia.
- Appreciate the usefulness of various strategies to cope with aberrant behaviors

Skits
Repetitive Questioning
Hallucinations
Sleep Disorders
Paranoid Delusions

Diabetic eye exam: What to look for in a Diabetic Eye Exam  
Diabetes Foot Exam and Glucometer Choice / Injection-Monofilaments, syringes and saline: How to give a diabetic foot exam  
Conquering the ECG: Basic reading techniques  
Applied Dental Anatomy / TMJ PT: Relevant anatomy dental issues of all ages  
Pelvic Floor PT: Starting the conversation and screening techniques  
Requesting Narcotics: A communication case study  
Integrative Medicine: Manual Therapy Techniques- An alternative approach to medicine through massage  
Joint Exams : Shoulder and knee joint examinations examples and discussion  
Fall Risk Assessment / PT & OT for ADD Children

Sessions are small groups of 10 that rotate in larger groups and rotate every 30 and/or 60 minute intervals.

5:15 PM  
Adjourn

Thursday, March 24, 2016

7:30 AM – 7:50 AM  
Breakfast, Registration and Exhibitors

7:50 AM – 8:00 AM  
Welcome and Announcements

8:00 AM – 8:55 AM  
Basal Insulin Therapy – The Past, Present & Future  
*Rick Hess, PharmD, CDE, BC-ADM*  
• Explain the role of basal insulin in the treatment of type 2 diabetes  
• Describe the desirable characteristics of a basal insulin  
• Compare and contrast the clinical efficacy, safety and costs of basal insulin therapy in the management of type 2 diabetes

8:55 AM – 9:50 AM  
I’m Hot and I Hurt!!!  
Pediatric Fever and Pain  
*Seth Brown, MD, MSc, FAAP*  
• Identify Pediatric fever  
• Identify high-risk for SBI  
• Review Bacterial meningitis signs and symptoms

Timothy Smyth, MD, Clinician, Catalyst Health Solutions, Pain Medicine Associates, and Cherokee Indian Hospital, Johnson City, Tennessee

Paula M. Wright, CPC, CIRCC, CPMA, CPC-I, CEMC, Compliance and Education, ETSU Physicians, Johnson City, Tennessee

**Target Audience**

Family Medicine Physicians, Internal Medicine Physicians, OB/GYN Physicians, Emergency Medicine Physicians, Pediatricians, Surgeons, Medical Residents, Fellows, Orthopedists, Physician Assistants, Advanced Practice Nurses, Nurses, Pharmacists, Psychologists, Medical and Nursing Students Residents
Overall Conference Objectives

As a result of attending this activity, the participant will be able to:

- Evaluate patients of all ages using most current medical trends
- Demonstrate an increased knowledge base on up-to-date pharmacological agents available
- Determine the most appropriate treatment for patients in the primary care setting
- Apply knowledge to current panel of patients
- Demonstrate understanding of current medications available for treatment of chronic illnesses.

Disclosure Information and Potential Conflicts of Interest

East Tennessee State University’s Quillen College of Medicine, Office of Continuing Medical Education (OCME) holds the standard that its continuing medical education programs should be free of commercial bias and conflict of interest. It is the policy of the OCME that each presenter and planning committee member of any CME activity must disclose any financial interest/arrangement or affiliation with corporate organizations whose products or services are being discussed in a presentation. All commercial support of an educational activity must also be disclosed to the conference attendees.

Participants with No Potential Conflicts of Interest

Each of the following speakers have completed a disclosure form indicating that they or members of their immediate family do not have a financial interest/arrangement or affiliation that could be perceived as a real or apparent conflict of interest related to the content or supporters involved with this activity:

Commercial Support Disclosure
It is the policy of the Office of Continuing Medical Education at Quillen College of Medicine, East Tennessee State University to disclose all supporters of this educational activity from which educational grants were received. Commercial Support via Educational Grants are listed below.

Acelity / KCI
$5,000 Educational Grant

Mission Statement
The mission of the Office of Continuing Medical Education at the James H. Quillen College of Medicine is to provide lifelong learning opportunities that meet the needs of faculty, community physicians and other health professionals. In addition, the Office of CME is committed to excellence and dedicated to the improvement of healthcare in Northeast Tennessee and the surrounding Appalachian Region.

Transcripts of CME Credit
By submitting the “Request for Credit Form” (which is part of your Conference Handouts) and by signing the sign-in sheet, credits will be added to your online TRANSCRIPT, which is maintained in the ETSU Office of CME. You may print your transcript online from our website at http://www.etsu.edu/cme. Please allow two weeks after the conference date before requesting your transcript. Check with the Registration Desk for information on how to access and print your transcript, or call our office, 423-439-8027, with questions.

Accreditation:

**ACCME Accreditation**: Quillen College of Medicine East Tennessee State University is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**ME Credit**: Quillen College of Medicine, East Tennessee State University designates this activity for a maximum of **30.0 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**CNE Credit**: East Tennessee State University College of Nursing is an approved provider of continuing nursing education by the Tennessee Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. This event is presented by the Quillen College of Medicine Office of Continuing Medical Education and the College of Nursing Office of Continuing Education at East Tennessee State University. This educational event also contains nursing pharmacology credits and may be used to fulfill your pharmacology nursing CE requirement.

Up to **33.00** continuing nursing education contact hours if participating in entire conference.

Up to **29.00** continuing nursing education contact hours if participating in *entire conference, not to include skill sessions*.

A maximum of **6.00** continuing nursing education for pharmacology if participating in entire conference.

*As of January 1, 2015, the ETSU College of Nursing implemented a $15 Nursing Contact Hour Fee for all conferences. If you would like to claim Nursing Contact Hours or you have any questions, please email ETSUCNE@etsu.edu. The $15.00 fee covers the following: cost for being a provider of nursing contact hours, supplies, and nursing education coordinator’s time for completing necessary paperwork for each conference, reports, study for renewal of being a provider, and attending meetings.*

Tennessee Pharmacists Consortium for Education is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This seminar will provide **8.0** hours of continuing education credits to pharmacists who attend the sessions and complete the online activities (activity evaluations and post-tests) required to claim credit. **UNIVERSAL ACTIVITY NUMBER (UAN): 0575-9999-16-036-L04-P**

The session code for this program will be given out/shown on the screen after the Thursday program lectures. Attendees will need this code to be able to claim CPE credit. Partial Credit not given.

Physical Therapy Credit: East Tennessee State University is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE). This course has been approved for **32.00 hours** for physical therapists and physical therapist assistants.
