

## **Request for Manuscript Publication Fees**

Answer the following questions below with as much detail as possible. The information you provide will be reviewed by the Research Committee and a recommendation will be given to the Chair of Pediatrics.

1. What journal are you planning to publish in:
2. Journal publication fee requested:
3. What is this fee for (i.e. Open Access, color graphs/tables/figures)?
4. Is there a free option to publish with the journal?
5. Describe the clinical significance of your research:
6. Describe why are you unable to use your PEA:
7. Describe other funding options you pursued and the outcome (i.e. internal ETSU grants):
8. Did you contact the journal to ask for fee reduction?
