Ms. Melissa Steagall-Jones

Chair
East Tennessee State University
Board of Trustees

Dear Graduates,

Today is a moment to honor all that you have accomplished and all that lies ahead. On behalf of the ETSU Board of Trustees, I offer my heartfelt congratulations to each of you.

As Chair of the Board, I have the privilege of witnessing how our university's mission comes to life through students like you. You have engaged deeply with your studies, your community, and the world around you. You have faced challenges and grown in ways that will serve you far beyond this campus. You embody the very purpose of this institution, and we are proud of you.

I have had the privilege of watching you live out the mission and values of the institution at athletic competitions, at fine arts performances, and through the honors and achievements you have earned. I even had the great honor of cheering on the largest marching band in ETSU history at the Macy's Thanksgiving Day Parade in 2024.

Your accomplishments reflect the heart of ETSU's mission, and the work that you will do as you move into your next chapter is the proof of that mission in action in our region and beyond.

This day is especially meaningful to me personally. As an alumna, I remember well the excitement of Commencement. I remember wondering what would come next and realizing, over time, how deeply my education here at ETSU had prepared me for both the expected and the unknown.

And as a parent of an ETSU graduate and current student, I know the pride that your friends and family members feel as they cheer you on today.

Wherever your path leads next, know that you carry with you the values, relationships, and experiences that make our university so special. And know that you are forever part of this community.

Congratulations, Class of 2026. Welcome to the Buccaneer alumni family!

Melissa Steagall-Jones

Shelby Koerten

President
Student Government Association

You've made it! Every late night, leap of faith, and moment of resilience has led you to this day. I celebrate you not only as your Student Government Association President, but as a fellow Buccaneer, filled with pride for all that you have accomplished.

Take a moment to reflect on the journey that brought you here today. Each of you has written your own story shaped by courage and discovery. Yet, even in these unique paths, we are united by the same Buccaneer spirit, rooted in resilience and a deep sense of belonging that truly makes ETSU home. Whether you found that home in a classroom, on a stage, in a lab, or through late-night conversations with friends, I hope the lessons and connections you have gained here will accompany you far beyond this campus.

As your SGA President, I have had the privilege of witnessing your incredible impact on our university. From quiet moments of encouragement to bold steps into leadership, these contributions have shaped our institution in ways that will endure long after graduation. Your legacy stands as an inspiration to the students who follow, pushing them to dream big and make their own mark on this community.

Today is not the end of your ETSU story — it is the beginning of your next chapter. May you step into it with the confidence to lead and the curiosity to keep learning. Your passions are powerful, and the future is full of opportunities waiting for you to shape it. Know that you are equipped to make a difference wherever life takes you. Congratulations, Class of 2026. Go Bucs!

Shelby Koerten

Dr. Brian Noland

President
East Tennessee State University

Dear Class of 2026,

In the blink of an eye, Commencement has arrived. Today represents a milestone moment in your life as you, your faculty, your family, and your friends join together to celebrate the culmination of your hard work and dedication over the past several years. This event also marks the beginning of a new journey in your life – a journey that no matter where it takes you, whether it is into the workforce or continuing your education, will be enhanced by your experiences at ETSU.

On this day, I encourage you to take a moment to reflect upon the journey that led you to the Commencement stage. Your hard work and persistence paved the way for you to achieve this dream. Undoubtedly, your journey also has been enhanced through the support and encouragement of someone close to you: your family members, your classmates, and your loved ones, many of whom are seated in the audience today to celebrate your success. Please remember today to say “Thank you” for their ongoing support as you begin this new chapter in your life.

I also encourage you to show your gratitude to the faculty and staff who have stood with you throughout this journey. The ETSU community is so proud of you, and we cannot wait to see the many things you will accomplish. I hope you will stay engaged with your alma mater and the National Alumni Association. Also, we invite you to return to campus to take in a performance at the Martin Center for the Arts, cheer for the Bucs at an athletic event, attend Homecoming, or simply walk through our beautiful grounds. This campus will always be a place you can call home.

You have achieved the dream of a college degree. Share that dream with others and talk with them about the importance of higher education. It is through the power of higher education that we can make the greatest difference in the world.

Congratulations on this outstanding accomplishment. Godspeed and go Bucs!

Dr. Mike Stoots

Professor, ETSU College of Public Health

Dr. Mike Stoots, a professor in East Tennessee State University's College of Public Health, is the 2025 recipient of the university's Distinguished Faculty Award in Teaching – the highest teaching honor bestowed upon ETSU faculty.

Dr. Stoots began his career at ETSU as a temporary instructor in 1992. Today, he serves as a professor in the College of Public Health's Department of Community and Behavioral Health and is director of operations for Project EARTH (Employing Available Resources to Transform Health).

He has built a legacy of excellence in public health education, with multiple national and state-level honors recognizing his impact. The Distinguished Faculty Award is the latest in his illustrious career at ETSU, which includes receiving the 2025 Teaching Excellence Award from the Association of Schools and Programs of Public Health (ASPPH).

Dr. Stoots also played a role in the ETSU College of Public Health securing the ASPPH's Harrison C. Spencer Award for Community Service in 2024 and received the ASPPH's Delta Omega Award for Innovative Curriculum in 2017 for his pioneering work with Project EARTH.

ETSU is one of only two colleges of public health in the nation to win each of those awards from the ASPPH, thanks in no small part to Dr. Stoots' commitment to students and bettering public health.

Many of his awards have applauded his work with Project EARTH, a novel program that teaches students the skills necessary to protect and promote health and well-being in resource-limited settings. Project EARTH launched in 2011 and has expanded considerably in the years since to include multiple academic courses and programs designed to develop innovative solutions to address the needs of people in resource-limited settings.

A strong student advocate early in his career, Dr. Stoots has served as the faculty advisor to the Public Health Student Association for over 25 years. He has led students to national meetings from Washington, D.C., to Philadelphia. Annually, he has taken students to the Tennessee Public Health Association's state meeting, where they have learned about statewide public health issues and national trends. He has also taken students to Nashville for a firsthand look at how state government affects public health, often meeting with state leaders, legislators, and governors. These trips are often memories students share long after they graduate and move on to their careers.

Dr. Randy Wykoff

Dean, Professor
ETSU College of Public Health

Dr. Randy Wykoff has served as the founding dean and professor in the East Tennessee State University College of Public Health since 2006, when he moved to East Tennessee with his wife, Janine, and their children.

As the longest-serving dean of public health in the country, Dr. Wykoff has transformed ETSU's College of Public Health into a nationally recognized leader. Under his guidance, the college became the first accredited college of public health in Tennessee and Central Appalachia, almost tripled its enrollment since 2006, and established research centers addressing the region's most pressing health challenges.

During his tenure, the ETSU College of Public Health has secured more than \$50 million in research funding and earned national recognition for teaching, research, and service. The ETSU College of Public Health is one of just four colleges to have won the Delta Omega Award for Innovative Curriculum

multiple times and was the 2024 recipient of the Harrison C. Spencer Award for Outstanding Community Service.

Dr. Wykoff's innovative leadership is reflected in initiatives like the award-winning Project EARTH curriculum at ETSU/Eastman Valleybrook. Building on this same spirit of creativity and commitment to public health, he guided the college's response to the COVID-19 pandemic, mobilizing ETSU's expertise and resources to produce hundreds of educational videos, updates, and public service announcements to inform and protect the community.

In 2022, he was inducted into the Tennessee Health Care Hall of Fame, and he has also been awarded the Surgeon General's Medallion, the highest civilian award in the United States Public Health Service. He serves as Editor-in-Chief of the *Journal of Appalachian Health*, and co-edited the 2022 book *Appalachian Health: Culture, Challenges, and Capacity*.

Prior to coming to ETSU, Dr. Wykoff served as Senior Vice President for International Operations at Project HOPE, a non-profit organization focused on global health education and humanitarian/disaster relief. He also served as Deputy Assistant Secretary for Health (Disease Prevention and Health Promotion) in the U.S. Department of Health and Human Services, responsible for the release and oversight of *Healthy People 2010*. In addition, he served at the Food and Drug Administration as Associate Commissioner for AIDS and Special Health Issues, and later, as Associate Commissioner for Operations.

Dr. Wykoff is a physician, board certified in both pediatrics and in public health and general preventive medicine.

Earlier this year, Dr. Wykoff announced his retirement at the end of the 2025-26 academic year, closing out two decades of exemplary service and vision at ETSU.

BILL GATTON COLLEGE OF PHARMACY

Dean: Dr. Debbie C. Byrd

The Doctor of Pharmacy graduates in the Bill Gatton College of Pharmacy had degrees conferred at their Graduation Ceremony. The hoods were presented to the graduates by Dr. Jessica Burchette, Department of Pharmacy Practice, and Dr. Ashana Puri, Department of Pharmaceutical Sciences. These faculty members were selected by the members of the graduating class. Practice plans for the members of the Class of 2026 are listed below.

Doctor of Pharmacy

- ★ **Adela Beauty Adu Agyemang**
Johnson City, TN
Practice Plans: Military Active Duty Pharmacist
- ★ **Kathryn Grace Austin**
Matthews, NC
Practice Plans: Residency or Fellowship

Academic Regalia

The three academic degrees generally recognized are the bachelor's, the master's and the doctor's. The name of each degree seems to have been determined by medieval university custom. The bachelor's degree, the baccalaureate, takes its name directly from the medieval practice of "bachelors" wearing a garland of bayberries. The master's degree was equivalent to a license to teach, and sometimes was followed by the express words *Licentia Docendi*. The doctor's degree was originally a title of respect and a recognition of great learning. Today the doctor's degree indicates advanced study and independent research in a specialized field of learning, whereas honorary degrees are granted for meritorious service and for distinction in public or private endeavor. In the medieval university, students and teachers wore gowns indicating their status and scholastic achievement.

In 1895, an intercollegiate commission drafted a uniform code for the use of academic caps, gowns and hoods in the United States. This code is followed by approximately 95 percent of all colleges and universities. In 1932 and 1935 the American Council on Education reviewed and refined the American academic costume.

Those holding a bachelor's degree traditionally wear a gown of worsted material, fastened at the top, and distinguished by long pointed sleeves hanging nearly to the knees. The master's gown, worn open, is made either of worsted or silk, and has long closed sleeves with an arc appearing near the bottom and a slit for the arm near the middle of the sleeves. The doctor's gown, also worn open, is made of silk, faced with a broad strip of velvet, and has three bars of velvet on each sleeve.

A hood may be worn with the gown and is made of the same material. The master's hood is three and one-half feet long, faced with a three-inch strip of velvet; the doctor's hood is four feet long, faced with a five-inch strip of velvet. The color of the tassel or the velvet strip on the hood indicates the field of study in which the degree was earned or granted, as for example: Agriculture – Maize; Arts, Letters, Humanities – White; Commerce, Accountancy, Business – Drab; Dentistry – Lilac; Economics – Copper; Education – Light Blue; Engineering – Orange; Fine Arts including Architecture – Brown; Forestry – Russet; Journalism – Crimson; Law – Purple; Library Science – Lemon; Medicine – Green; Music – Pink; Nursing – Apricot; Oratory (Speech) – Silver Gray; Pharmacy – Olive Green; Philosophy – Dark Blue; Physical Education – Sage Green; Physical Therapy – Teal; Public Administration including Foreign Service – Peacock Blue; Public Health – Salmon Pink; Science – Golden Yellow; Social Work – Citron; Theology – Scarlet; Veterinary Science – Gray.

The appropriate cap for all degrees is the familiar "mortarboard." A tassel, displaying the color signifying the field of specialization, hanging to the left of the face, is appropriate for all degrees. Those holding a doctor's degree may wear a soft velvet cap of the color indicating their field of study, or with the "mortarboard" may wear a tassel in whole or in part of gold thread.

The Presidential Medallion – The presidential medallion is the traditional symbol of office worn at official functions. The design features a torch symbolizing learning, a wreath symbolizing victory, and a star ruby symbolizing excellence.

The Mace – The East Tennessee State University mace is an organic design in forged silver with an ebony handle. The form gives a circular impression, referring to the medieval concept of a heavy armor-breaking club yet losing its warlike appearance by becoming less solid and a more decorative symbol of the university as it encompasses global thinking. A central staff radiates the thrust of the rhythmical branches of the tree of knowledge; the heavier branches represent the well-established disciplines and the more delicate ones the beginnings and growth of the new.

The Flag – The flag of East Tennessee State University is of simple conception, yet representative of the rich heritage of the area and the aspirations of the university.

Academic Honors

Students wearing a medallion on a colored ribbon are graduating with honors as follows:

- White ribbon - cum laude (3.50 – 3.64 GPA)

The Star-Spangled Banner

Oh say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

Alma Mater

In the shadow of the mountains,
Under skies of blue,
Stands our dear old Alma Mater,
Glorious to view.
Sound the chorus, speed it onward;
Thee we'll never fail!
Hail to thee, our Alma Mater—
Hail to thee, all hail!

In thy halls we formed our
friendships,
Dear old college home;
And to thee we pledge our hearts,
Wherever we may roam.
Sound the chorus, speed it onward;
Thee we'll never fail!
Hail to thee, our Alma Mater—
Hail to thee, all hail!
