HELP PREVENT THE SPREAD OF COVID-19!

Before coming to work, ask yourself these 5 questions:

1. Have you been in close contact with a confirmed case of COVID-19?
2. Are you experiencing a cough, shortness of breath or sore throat?
3. Have you had a fever in the last 48 hours?
4. Have you had new loss of taste or smell?
5. Have you had vomiting or diarrhea in the last 24 hours?

If you have answered yes to any of the questions, please contact your supervisor and seek medical treatment.
