Dr. Dyer is uniquely qualified to play a major role in this initiative. She has a PhD in Religious Studies from Vanderbilt University and lectures in both their Department of Religious Studies and their Department of Preventive Medicine. Prior to joining HTHH, Dr. Dyer was the National Faith Outreach Director for Debt, AIDS, Trade, Africa (DATA) Foundation which had been created in 2002 by U2’s Bono. In 2008, DATA merged with the ONE Campaign.
