CARPOOL PARKING PERMIT APPLICATION

Dear Carpoolers,

An application for a Carpool Parking Permit is attached.

This permit will allow you to park in carpool reserved parking spaces in parking Lot #4. Carpool parking spaces are marked with green paint on the pavement and signage. The following also apply:

- The permit must be displayed date side up on the front driver's side dashboard of the vehicle and used only with vehicles listed on the application;
- The vehicle using the carpool parking permit must also display a regular ETSU student parking permit on the lower left corner of the back window;
- At least 2 members listed on the application must be in the car when parking in carpool spaces;
- Falsification, forgery, or unauthorized modification of the carpool parking permit will result in an immediate revocation of carpool privileges.

All applicants must be registered at ETSU or University High, have obtained their personal ETSU parking permit, and live off campus in order to qualify for a carpool parking permit.

Please complete and return the attached application to Parking Services. Once your application is approved, all applicants will receive notification emails, and the permit may be picked up from the Parking Services office.

By accepting the carpool parking permit, you accept the responsibility of observing and abiding by all rules and regulations.
