

ETSU OFFICE OF FINANCIAL AID
E.G. Hughes Enrollment Loan Policy and Application

Source and Purpose of Funds: University Enrollment loan funds of up to \$2,000 may be available, as funds permit, to assist ETSU students with prior semester outstanding balances to the university. Students with outstanding balances between \$200 and \$2,000 from the previous major term may apply for the loan so that holds can be lifted from the student account for registration. Please print this form, obtain signatures, and forward to the Financial Aid Office. University Enrollment loans are not made for tuition and/or fee payment for which the student is seeking to register.

Eligibility Criteria:

1. ETSU full-time employees are not eligible for institutional loans.
2. Application for the funds must be made prior to the fee payment deadline (census) for the upcoming term.
3. Student must have an ETSU student account balance from the preceding term of more than \$200 and not more than \$2,000 which prevents registration for upcoming term.
4. Student cannot owe any outstanding university loans, such as the Kick-Start, Emergency Event, or Short Term loan.
5. Students must not already have been sent to collections for the prior term outstanding balance.
6. Student must have completed a FAFSA and have listed ETSU Main Campus to receive FAFSA results.
7. Student must demonstrate ability to pay fees for the upcoming term by either payment in full, payment of 50% of fees and establishing a payment plan for the balance, or financial aid eligibility to cover all fees.
8. Student must be in good academic standing (not on academic probation or suspension). Academic standing status can be found on your Registration Status page on GoldLink.
9. Student must be receiving specific and adequate resources to make loan repayment (i.e. anticipated financial aid or employment).
10. Students will be limited to one University Enrollment loan per academic year.

Application Process: An application may be submitted any day the financial aid office is open. A decision concerning the loan will be available within three (3) business days after submitting the loan application. Loan funds will not generate a refund to the student. Submit the completed form and all required documentation either in person to the ETSU Office of Financial Aid and Scholarships located at Burgin-Dossett Room 105, by mail to the ETSU Office of Financial Aid and Scholarships, Box 70722, Johnson City, TN 37614, or by fax to (423) 439-5855. Please do not email documents with personally identifiable information (PII) (i.e. SSN, Full Name, Phone Number, Address...)

Enrollment Requirement: Student must enroll in at least six (6) credit hours after loan is approved and registration hold is lifted. Enrollment will be verified at census and student will be dropped from any classes during census purge if not enrolled in at least six (6) credit hours.

Repayment Provisions: All loans incur an origination fee which must be paid when the loan is paid. The total amount of the loan and origination fee are due by the end of the semester, or when financial aid is received in excess of current term tuition and fees. Excess aid greater than current term tuition and fees will be applied to the loan and origination fee unless a payment plan has been established in the Bursar's Office. Any amount of aid received in excess of current term tuition and fees, enrollment loan, and origination fee will be refunded to student.

Other Terms of the Loan: Students who default on the E.G. Hughes Enrollment loan will have their records encumbered and will be subject to the University collection procedures. The Maker (student) promises to pay the University the sum of the amount advanced to Maker (student) under the terms of this Promissory Note, plus the origination fee. The maker (student) further promises to pay all reasonable collection costs, including attorney fees and other charges, necessary for the collection of any amount not paid when due.

Processing Loan on Student Account: The student account will receive a credit for the loan which should release any accounts receivable registration hold on the account. No refund will be generated to the student by application of the loan. The student account will be charged for the repayment of the loan and origination fee.
