During the period of December 10, 2021 through December 23, 2021, I would like to maintain employment under the Federal Work Study Program and/or the Regular Student Work Program. The time worked during this period will count toward the FWS and/or RSWP award amount for Fall 2021.

It is the student’s intention to enroll at least half time (6 credit hours) in the upcoming Spring 2022 semester. If at any time it is determined that the student will not be enrolling at least half time in the upcoming Spring 2022 semester, it is the student’s responsibility to (1) notify the Office of Financial Aid & Scholarships, (2) notify the hiring department, and (3) to cease working. It is understood that the student will no longer be eligible to maintain employment under FWS and/or RSWP during this period.

Failure to notify the Office of Financial Aid & Scholarships and the hiring department of any changes in the student plans could be considered a violation of ethical standards and/or fraud. The student signature below certifies that this statement has been read, understood, and agreed to.
