

Center for Academic Achievement

When graduate-level writing assignments are no joke - the Center for Academic Achievement can help!

The CFAA—located on the first floor of the Sherrod Library (just down the hallway on the left between the Library’s front desk and Dunkin Donuts) offers graduate-level tutoring on all things writing-related as a free service for ETSU students! Meeting with a writing tutor is a great opportunity to have a conversation about your writing and improve your papers in a comfortable, low stakes environment.

Post-graduate writing tutors are available to help with everything from short writing assignments like discussion boards, papers for courses, and even thesis and dissertation projects. They are open seven days a week to help graduate students become stronger, more confident writers.

- Appointments are not required but are preferable so you can avoid wait times.
- Just call their front desk at 423-439-7111 to schedule an appointment.
- You can receive tutoring in-person or over Zoom!
- You do not need to have a completely finished paper to come in for tutoring.
- You can meet with a tutor to brainstorm for an assignment, locate resources, organize your rough draft, or to polish a final draft
