## **Graduate and Professional Student Association (GPSA)**

The Graduate and Professional Student Association is the student-run organization representing graduate and professional degree seeking students from all academic disciplines at ETSU. It is the only campus-wide organization that is exclusively for students pursuing post-baccalaureate degrees or certificates.

There are numerous benefits to becoming an active member of GPSA. Among them are:

- The opportunity to be involved in institutional governance and development
- The opportunity to network with students and faculty from many disciplines
- The opportunity to participate in numerous professional development events
- The opportunity to give back to the university and the wider community
- The opportunity to receive support for travel to professional conferences in order to advance research, network, and enhance both one's experience at ETSU and the visibility of the university

### **Becoming a member**

Membership forms are available on the GPSA homepage ([www.etsu.edu/gradschool/gpsa](http://www.etsu.edu/gradschool/gpsa)) by clicking the "forms" tab. Forms may be submitted electronically, or printed and sent by mail, or by delivering them directly to one of the GPSA officers or to the Graduate Studies office (309 Burgin E. Dossett Hall).
