

## HONORS COLLEGE

EAST TENNESSEE STATE UNIVERSITY

### Midway Honors Scholars Program

The Midway Honors Scholars program is designed for high-performing, undergraduate students who transfer to ETSU from community colleges or other universities.

The program has a unique curriculum, scholarship opportunities and an exceptional community of honors scholars, faculty, and staff to welcome you to campus, challenge you to think critically, and assist you with your research interests. In addition, we sponsor activities, events, and programs designed to enhance the collective cultural and intellectual environment and foster a more global perspective within the university community.

*Admission is competitive; 20 funded and 2 unfunded scholars are admitted each fall. Scholarships include 4 semesters of in-state and out-of-state tuition (if applicable) and most fees, a stipend for each of 4 semesters, and the opportunity to apply for a one-time \$2500 award for Study Abroad, Summer Research, Washington Center Internship, Required Summer Courses, or a 5th Semester of Study.*
