- MMR
- Varicella
- Meningococcal – if living on-campus

Dose 2
- MMR
- Varicella

Arrive at ETSU Campus
- Take TB Test

60 days before arriving or earlier

30 days after first dose

0 days
Ready for TB Test

Do not have Dose 2 administered before 30 days!
Student Health Services will not accept immunization records and you will have to start the process over.

Do not get TB Test at home!
TB Test outside of the US will not be accepted by Student Health Services
