INDEPENDENT CHARITABLE ORGANIZATIONS

There are three independent charitable organizations conducting a wide range of health, welfare and educational programs, and providing services to individuals across the state.

The American Cancer Society **C23-000**

The American Cancer Society – Tennessee Chapter exists to improve the lives of cancer patients and their families. We are the only organization that integrates discovery, advocacy, and direct patient support to measurably improve lives. Our work removes barriers to care so people in every community can have an equitable opportunity to prevent, detect, treat, and survive cancer. Through direct patient support, we provide free lodging at our Hope Lodges, rides to treatment, and 24/7 access to resources at 1.800.227.2345. Contact: kelly.jamerson@cancer.org

The Center for the Arts **C26-000**

The mission of the Center for the Arts is to enhance the quality of life in our community by providing cultural and economic enrichment through the arts. CFTA is located in historic downtown Murfreesboro and produces more than 13 shows a year. The Center for the Arts includes a gallery space and hosts exhibits by local and regional artists and is open to the public. CFTA is also home to Center Stage Academy – a program for youth ages pre-k through high school that provides performing and visual arts classes through after school programs and summer camps. Center Stage Academy offers scholarship opportunities for low-income students who are interested in the performing arts.

Dawn Ashley | 615-904-2787

The Foundation for the College System **C03-000**

The Foundation for the College System of Tennessee is the primary charitable organization of the College System of Tennessee, composed of 13 Community Colleges and 24 Tennessee Colleges of Applied Technology. The Foundation was established to support the System through advocacy, marketing, and, most importantly, fundraising to benefit the programs and faculty serving them. The mission of the Foundation is to encourage, support, and promote the advancement and awareness of the System and its member institutions as it serves as a vital workforce development resource. The Foundation assists in fundraising and capital campaigns and creates opportunities for the System not provided by state funding.

CHC: Creating Healthier Communities | #C01-000

CHC: Creating Healthier Communities is a catalyst for good health, bringing communities, nonprofits, and businesses together around a shared commitment to better health and wellbeing. We represent thousands of high-impact nonprofits nationwide, working to address barriers to good health and equity, and we connect them with capital from our corporate, foundation and government partners to power transformative change in the communities in which they work. By listening to partners and convening community leaders, we ensure that we always act in the best interests of each community, directing resources and expertise where it is needed most.

Through the Tennessee Board of Regents Campaign, your gift can help build stronger, healthier communities.

UNITED WAYS OF TENNESSEE

PLEDGE FORM

United Ways of Tennessee fights for the health, education and financial stability of every person in our state, and our efforts provide:

- Crisis response, food and shelter for victims of disasters, such as the pandemic, floods, and tornadoes
- Health care for vulnerable people who would otherwise go without
- Basic needs for those facing tough times
- Safe havens from domestic abuse
- Volunteer opportunities to support our communities
- Job skills for people who want to work
- Programming to engage and educate children and youth
- Free 2-1-1 phone access in every county to find health and human services

When you give to United Way, you can give to a specific charity, a combination of charities, or you can designate directly to United Ways of Tennessee for statewide efforts or to a member United Way that serves your local community.

Together, we can inspire hope and create opportunities for a better tomorrow. That's what it means to **LIVE UNITED™**

To learn more about how we and your local United Way is helping your community, please link to: www.uwtn.org

C95-000

We also are proud to lead the Tennessee Afterschool Network and are grateful for donations for this initiative!

The Tennessee Afterschool network supports children, youth and families by building access to healthy and nurturing afterschool and summer learning experiences. Out-of-school-time programs give parents peace of mind, allow them to work a full schedule, and help them be more productive on the job and successful in their careers, including our essential workers. They also offer social and emotional support and enriching activities that spark kids' interest in school and learning.

Research shows that students participating in high-quality afterschool programs are less likely to abuse drugs or alcohol; are more likely to advance to the next grade and graduate from high school; earn higher grades and do better on standardized tests. Some out-of-school-time programs even provide opportunities for youth to gain employability skills, connect with local businesses, and explore possible careers.
