- Crisis response, food and shelter for victims of disasters, such as the pandemic, floods, and tornadoes
- Health care for vulnerable people who would otherwise go without
- Basic needs for those facing tough times
- Safe havens from domestic abuse
- Volunteer opportunities to support our communities
- Job skills for people who want to work
- Programming to engage and educate children and youth
- Free 2-1-1 phone access in every county to find health and human services

When you give to United Way, you can give to a specific charity, a combination of charities, or you can designate directly to United Ways of Tennessee for statewide efforts or to a member United Way that serves your local community.

Together, we can inspire hope and create opportunities for a better tomorrow.

That's what it means to **LIVE UNITED™**

C95-000

We also are proud to lead the Tennessee Afterschool Network and are grateful for donations for this initiative!

The Tennessee Afterschool network supports children, youth and families by building access to healthy and nurturing afterschool and summer learning experiences. Out-of-school-time programs give parents peace of mind, allow them to work a full schedule, and help them be more productive on the job and successful in their careers, including our essential workers. They also offer social and emotional support and enriching activities that spark kids' interest in school and learning.

Research shows that students participating in high-quality afterschool programs are less likely to abuse drugs or alcohol; are more likely to advance to the next grade and graduate from high school; earn higher grades and do better on standardized tests. Some out-of-school-time programs even provide opportunities for youth to gain employability skills, connect with local businesses, and explore possible careers.

UNITED WAY OF HUMPHREYS COUNTY NIOKA CURTIS 931-296-4588

United Way of Humphreys County has been working for over 20 years to improve the quality of life for our residents here in Humphreys County. Along with workplace campaigns and our annual radio auction, we also support the TN Scholars program and work our local "Stuff the Bus" initiative each year. We are expanding our community impact through new programs and partnerships daily. We have also been working this past year to help our community recover from the devastating floods that swept through our county, taking 20 beautiful souls from us and leaving thousands displaced. We have truly embraced the saying "Live United" because together, we can overcome and recover.

ALBERT EDWARDS 901-433-4325

United Way of the Mid-South serves communities in Fayette, Lauderdale, Tipton, and Shelby Counties. Committees made up of local volunteers examine areas of greatest need and available nonprofit services to assess where investments of your donated dollars may have the greatest impact for individuals, as well as the overall quality of life in each community. Grant-making supports areas such as education, health, and financial stability. Driving The Dream™ is an unduplicated network of services, provided by many United Way agencies, allowing families in need to connect with all the support available to them with a single call. This “one door” approach is helping thousands of families in Shelby County move toward financial stability and out of the cycle of generational poverty.

The American Cancer Society C23-000

The American Cancer Society – Tennessee Chapter exists to improve the lives of cancer patients and their families. Through direct patient support, we provide free lodging at our Hope Lodges, rides to treatment, and 24/7 access to resources at 1.800.227.2345. Contact: kelly.jamerson@cancer.org

Fellowship of Christian Athletes C05-000

The Fellowship of Christian Athletes is touching millions of lives...one heart at a time. Since 1954, FCA has been challenging coaches and athletes on the professional, college, high school, junior high and youth levels to use the powerful platform of sport to reach every coach and every athlete with the transforming power of Jesus Christ. FCA focuses on serving local communities around the globe by engaging, equipping and empowering coaches and athletes to unite, inspire and change the world through the gospel.

The Foundation for the College System C03-000

The Foundation for the College System of Tennessee is the primary charitable organization of the College System of Tennessee, composed of 13 Community Colleges and 24 Tennessee Colleges of Applied Technology. The Foundation was established to support the System through advocacy, marketing, and, most importantly, fundraising to benefit the programs and faculty serving them. The mission of the Foundation is to encourage, support, and promote the advancement and awareness of the System and its member institutions as it serves as a vital workforce development resource. The Foundation assists in fundraising and capital campaigns and creates opportunities for the System not provided by state funding.
