

Student or Scholar Self-Enrollment

Getting health coverage with LewerMark takes just a few quick steps.

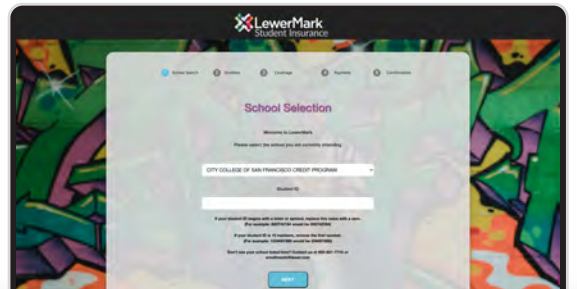

Step 1: Find your school

- Visit www.lewermark.com and use the school search bar to find your school.
- On your school's page, click "Purchase Insurance" under the Quick Links section.

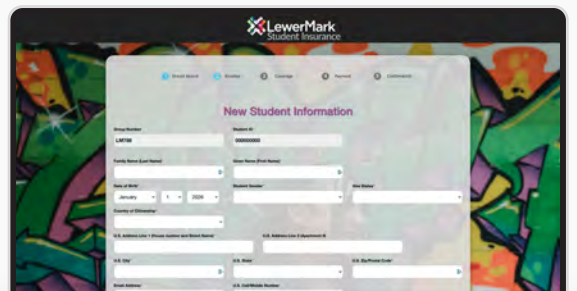

Step 2: Enter your information

- Once inside your school's purchase portal:
 - Confirm the correct school's plan is selected.
 - Enter your student ID.
 - Click "Next" to continue.

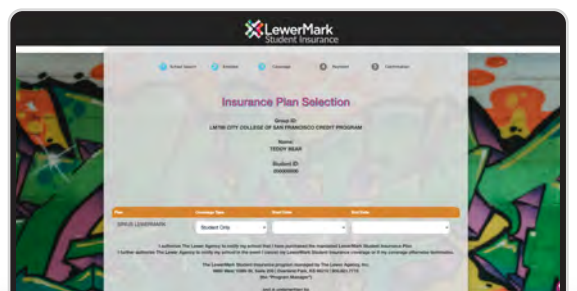

Step 3: Complete your personal information

- Enter your basic information, such as your name, date of birth, and contact details.
- When finished, continue to the next step.

Step 4: Select your coverage dates

- Choose your insurance coverage start and end dates from the options provided by your school.
- These dates are pre-approved to help ensure you are protected for the entire session, quarter, semester, or academic year.

Secure payment options

- LewerMark uses Stripe to provide a safe and secure payment experience.
- We accept many payment methods, including:

DISCOVER®

Account creation

- After your payment is successful, you can create a LewerMark Student Account.
- To register, you will need:
 - Your student ID number
 - Your date of birth
- Once your account is created, you can access your insurance information online anytime.

Need to make changes?

If you ever need changes to your insurance plan enrollment, please contact your school's advisor.

LewerMark partners directly with your school to ensure all enrollment changes are accurate and approved.
