October is Cybersecurity Awareness Month

Join the National Cybersecurity Alliance each week of October for different themes related to #BeCyberSmart.

Week 1 – Be Cyber Smart
   Own your role in cybersecurity by starting with the basics.

Week 2 – Fight the Phish
   Think before you click on any suspicious emails, links or attachments and make sure to report any suspicious emails if you can!

Week 3 – Explore. Experience. Share – (Cybersecurity Career Awareness Week)
   Whether it’s students, veterans, or those seeking a career change, the dynamic field of cybersecurity is rapidly growing and has something for everyone.

Week 4 – Cybersecurity First
   When you set up a new device or app, consider your security and privacy settings and update default passwords.
