Literature Searching and Research Consultations

Updated: 6.19.19

Contact our librarians at medref@etsu.edu for custom literature searches and consultations on research endeavors. Librarians have been trained to work specifically with medical databases and information and will be happy to provide you with assistance relating to your specific research needs.

Instruction

Email medref@etsu.edu to set up classes on library and research related topics. Examples of class topics include:

- [Evidence Based Medicine](#): Principles of and use of information/literature in relation to EBM
- [Citation Management](#): Using EndNote to Manage Citations for Research and Publication
- [Searching Databases](#) (PubMed, etc., depending on individual or group need)
- [Basics of Publication](#): Writing Case Reports and Choosing Journals
- [Mobile Apps at the Point of Care](#): Suggested Mobile Apps for Medical Support
- [Hunting vs Foraging](#): Exploring Different Searching Styles and Strategies for Keeping Current on the Medical Literature
- [Orientations](#) (general library overview and information)
- [Custom classes](#) (Currently includes Pharmacy searching labs, PubMed searching during Psychiatry clerkship, etc.)

Other classes and topics are available upon request. Librarians are happy to work with faculty to customize classes to audience needs.

Citation Management

EndNote Online access is provided by the library to ETSU. Library staff provide instruction on setting up EndNote libraries and different facets of EndNote use. Librarians can also provide instruction on the desktop version of EndNote, if needed by specific departments.

Interlibrary Loan

Contact Document Delivery Coordinator, Kelly Loyd (loydk@etsu.edu) to order articles from other libraries.

Poster and Material Printing

The department of Biomedical Communications, housed within the library, provides printing support for the school of medicine. See their website for more information:
