TSSP is the student society underneath the umbrella of the Tennessee Pharmacists Association (TPA) and is an organization devoted to giving student pharmacists a voice in the profession of pharmacy on the state level. Many of the laws that govern how we will practice pharmacy come from our state, which is why our voice is so important! Also, TSSP gives you the opportunity to network and develop relationships with student pharmacists from all six colleges of pharmacy in Tennessee through meetings and other fun events. If you’re interested in making an impact on this level, TSSP is an organization to be an active member in.
