These submissions will be reviewed on a case-by-case basis by the Director of Undergraduate Admissions or designee. Applicants who cannot provide a satisfactory secondary school credential as defined by state law and as determined by the review process may substitute acceptable scores on either the HiSET or GED examination.

B. Home School Accreditation.

The transcripts of applicants who complete high school via home school will be accepted if all requirements listed on the Undergraduate Admissions website are met.

If a prospective student is enrolled in or has completed high school via homeschool or private high school that is not approved the individual may be admitted at the discretion of the Director of Undergraduate Admissions.

V. Accommodations.

To the extent possible and subject to the approval of the Director of Undergraduate Admissions or their designee and the applicable department chair or their designee, the Office of Undergraduate Admissions may grant accommodations and other academic adjustments when necessary.
