INTERDEPARTMENTAL COMMUNICATION

TO: ETSU Faculty, Students, and Alumni
FROM: Dr. Wilsie S. Bishop, Senior Vice President and Interim Provost
SUBJECT: DISTINGUISHED FACULTY AWARDS – CALL FOR NOMINATIONS
DATE: February 9, 2021

Nominations are now being accepted for the
FACULTY AWARDS FOR 2021

In accordance with the guidelines for the FACULTY AWARDS, information containing selection and presentation process, nomination form and criteria are included with this memo.

THREE UNIVERSITY FACULTY AWARDS will be presented. Awards will be made as follows:

- TEACHING
- RESEARCH/SCHOLARSHIP/CREATIVE ACTIVITY
- SERVICE

Nominations should be sent to the OFFICE OF THE APPROPRIATE DEAN no later than Wednesday, March 31, 2021. Nomination forms will be reviewed by the appropriate college selection committee.

An outstanding nominee is to be chosen for superior achievement in teaching, research/scholarship/creative activity, or service cited in the nomination statements submitted on the nominee's behalf. The nomination statement should clearly indicate how the nominee has demonstrated outstanding achievement in the area of the award--teaching, research, or service. The statement should also indicate the faculty member's accomplishments in other areas of responsibility. While each award focuses on only one area of faculty achievement, nominees should be faculty who are generally productive, constructive members of the academic community.

Each award consists of an appropriately inscribed plaque and a cash award of $5,000. A faculty member may receive a particular award (teaching, research, or service) only once, but may receive each of the three awards.

THE DEADLINE FOR SUBMITTING NOMINATIONS IS March 31, 2021.
SELECTION AND PRESENTATION PROCESS

Each year, ETSU will recognize outstanding faculty achievement with three awards, one each for teaching, research/scholarship/creative activity, and service. Each college dean can nominate one candidate for each award from his or her college’s faculty. Criteria for each award as well as materials required for the nomination packets are outlined. These awards are meant to recognize excellence in teaching, service, and research/scholarship/creative activity while employed at ETSU. While each award is intended to highlight excellence in a single area, the nominees are expected to demonstrate contributions in the areas that are not directly related to their award nomination.

Nominations

Nomination forms for the three awards will be distributed by the Office of the Provost after the start of the Spring Semester each academic year. Individual students, individual faculty members, or groups of students and/or faculty members can complete these nominations. Individuals may also nominate themselves if they meet the award criteria.

The completed nomination forms for all three awards are to be returned to the appropriate Dean no later than Wednesday, March 31, 2021. Deans should also notify the appropriate chairs of nominations within each department no later than Friday, April 2, 2021.

Selection

Each college dean will select three to five faculty members from his/her college, or use an appropriate existing committee, to serve on a Screening Committee for that individual college. Each College Screening Committee shall seek to identify the outstanding nominees in its college, based on the nomination statements submitted for each award. A college is not required to submit nominations for university awards. In the event that a single outstanding nominee cannot readily be identified for a particular award, the Screening Committee may select more than one nominee, subject to the restriction that the total number of nominees selected shall not be more than one (1) per fifty (50) full-time faculty members in the college. The definition of a full-time faculty member according to Section 2 of the Faculty Handbook will apply here.

Each College Screening Committee may submit its outstanding nominees for each category with a composite supporting statement and nomination materials to a campus-wide ad hoc Final Selection Committee through the Provost’s office by Friday, May 14, 2021. This Final Selection Committee is to be chosen by the Provost in consultation with the deans to ensure appropriate representation.

Members of College Screening Committees are not eligible to serve on the Final Selection Committee for that year.

The task of the Final Selection Committee is to choose from the outstanding nominees the faculty member to receive each faculty award—teaching, research/scholarship/creative activity, or
service. This committee will also submit a composite supporting statement for the nominees, along with the nomination materials.

A list of the nominees will not be released; nomination statements will be kept strictly confidential, and the name of the person chosen to receive each award will be maintained in strict confidence until the awards are presented.

All completed nomination forms will be maintained until the awards have been presented, after which time they will be destroyed. Any materials provided by the faculty nominee(s) will be returned to him/her.

Presentation

All these awards shall be presented by the Provost at the Annual Faculty Convocation. Each award shall consist of an appropriately inscribed plaque and a monetary award of no less than five thousand dollars ($5,000).

A faculty member may receive a particular award (teaching, research/scholarship/creative activity, or service) only once, but may receive each of the three awards.
