## VUB Fall Semester Information and Instructions

Page three of the newsletter contains the VUB 2015 Fall Semester schedule of classes. It is very similar to previous semesters and it contains all the pre-college class opportunities for most veterans to prepare for entrance into and success in a postsecondary program.

We will continue our basic math and English classes this semester by offering tutoring for those who need to brush up on their basic skills. Please call the VUB office to arrange this individual service. We will continue to provide

tutoring for those who need additional preparation before taking the COMPASS test.

Please note that computer skills class meets twice per week, while the remainder (algebra, science, and stats) meets only once per week. Also note that the semester is ten weeks in length.

Check out the schedule and contact any VUB staff member if you have questions. You may register by phone.

We recommend that all participants register for at least two courses so

that you will receive the full benefit of the instruction and be better prepared when you enter a postsecondary program.

We have designed the schedule so you will be able to register for up to four different classes during a four-day period without class conflicts.

If you are in college already, keep us informed of your progress, call if you need help, and let us know if you change your address or phone number.

## Ryan Galyon Accomplishes Hat Trick

Information has just been received that John Ryan Galyon has been selected as a \$1,000 National Association of Veterans Upward Bound Program (NAVUBP) Scholarship winner for Fall Semester 2015. Ryan, a Veterans Upward Bound participant attending East Tennessee State University, was also recently selected for a 2015 Tennessee Association of Special Programs (TASP)

Scholarship and a 2015 Southeastern Association of Educational Opportunity Program Personnel (SAEOPP) Adult Learner Scholarship.

Winning all three TRiO Scholarships for the same year is an outstanding accomplishment only achieved by a very few VUB Program participants. Maintaining a very high GPA, being involved in numerous extra-curricular activities, assisting other students, and working part-time to help with college expenses all contributed to his success.

Upon completion of his bachelor's degree in social work next year he plans to pursue a master's degree and seek employment with the Veteran's Administration as a case manager or patient advocate.

VUB staff congratulates Ryan for his superior performance of duty and his display of professionalism.
