📄

🔍

🏠

🔍

- Enter whole words or a beginning-of-word fragment
 - Search will look for matches in the location short and formal names.

- Three types of views can be displayed when searching for locations: Availability, Availability Weekly, List, and Calendar.
- **Availability view:**
 - This view shows the location for that particular day with the classes or events that are located in the room that was searched.
 - From here, you can hover over the events or classes to get more detail about the event.

- If you want to change the availability date, simply click here and choose the date you need from the calendar.

- **Availability Weekly view:**

- This view shows the location for that week with the classes or events that are located in the room that was searched.
- You can change the week you want to view by clicking on the date.

Public Location Searches

- From the Home Dashboard, you can perform a search for a group of locations: Registrar Scheduled Rooms or Auditoriums that seat 100+ (Registrar scheduled).

☒ Auditoriums 100+ Registrar Scheduled

☐ Registrar Scheduled Rooms

- Clicking on one of these searches will automatically run a search based on the criteria. It will bring the user to Pre-Defined Location Searches and results can be viewed in List, Availability, or Calendar view.
 - ***Please note that if you choose the Registrar Scheduled Rooms, there will be a long list of events on each day when classes are in session.
