Alan Levine

President and Chief Executive Officer of Mountain States Health Alliance

Alan Levine is the President and Chief Executive Officer of Mountain States Health Alliance, a not-for-profit, 14-hospital integrated health care system serving 29 counties in Tennessee, Virginia, Kentucky and North Carolina. With 20 years of hospital operations experience, Levine has served as CEO of hospitals and health systems from the rural north Florida town of Perry to the fifth largest public not-for-profit health system in the nation.

Modern Healthcare Magazine has named Levine one of 30 people in the nation who will have a powerful impact on health care in the next 30 years. Others on the same list include Hillary Clinton, Newt Gingrich, Barack Obama, Bobby Jindal and the Secretary of Health and Human Services. Levine was also named an “Up and Comer” in American health care by Modern Healthcare in 2005.

Prior to joining MSHA, Levine was Senior Vice President and Florida Group President of Health Management Associates, a Naples-based operator of 71 hospitals in 15 states. He has also served on Gov. Bobby Jindal’s Cabinet as Secretary of Louisiana’s Department of Health and Hospitals - Louisiana’s largest state agency - and as Gov. Jindal’s senior health policy advisor. During his tenure, Levine decreased the size of his department by 25 percent, while also achieving remarkably improved results for the state. For instance, by partnering with the private sector to improve child immunization rates, Louisiana improved from being ranked 48th in the nation to 2nd in the nation in just two years.

Levine managed the largest medical evacuation in the history of the nation in the response to Hurricanes Gustav and Ike - major hurricanes making landfall on the Gulf Coast. He led the state’s response to the pandemic H1N1 influenza, a response applauded by the Centers for Disease Control and Prevention, and was part of the Gov.’s response team for the Deepwater Horizon Oil Spill, often representing Louisiana before the federal government and BP on national news networks.

Levine also served as Deputy Chief of Staff and Senior Health Policy Advisor to Florida Gov. Jeb Bush prior to his appointment by Gov. Bush to serve as Secretary of Florida’s Agency for Health Care Administration, an agency responsible for administering a $17 billion budget. During his tenure in Gov. Bush’s administration, Levine served on the governor’s senior response team for eight major hurricanes making landfall in Florida. He led Gov. Bush’s landmark effort to reform the state’s Medicaid program. Levine’s efforts to crack down on fraud and abuse in Medicaid led to recognition by The Associated Press with the headline “Florida Crackdown on Medicaid Fraud Paying Off” and an award by Florida Tax Watch. Levine also spearheaded Gov. Bush’s effort to reform Florida’s Medical Malpractice system, which led to stabilization and decreases in medical liability insurance costs for Florida’s physicians. Notably, Levine helped design Gov. Bush’s “No Place Like Home” Initiative, which led to a 36 percent improvement in the rate of adoption of children in foster care in Florida.

Prior to being recruited by Gov. Jindal, Levine served as CEO of Florida’s Broward Health, one of the nation’s largest public, not-for-profit hospital systems. Citing his operational plan and successful execution, both Moody’s and Standard and Poor’s national credit rating agencies upgraded its Broward Health’s debt ratings and outlook. While improving financial performance and implementing the two largest tax cuts in the history of Broward Health, the system won several quality awards, and patient satisfaction improved dramatically. Levine’s success in transforming Broward Health was highlighted in two books - Conventional Wisdom and Stop Paying the Crooks.

Levine currently serves on the Board of Gov.s of the State University System of Florida, the governing body of Florida’s 12 state universities, on which he’s Chairman of Audit and Compliance and as a member of the Finance and Building committees. Prior to his service on the Board of Governors, Levine was a member of the Board of Trustees of the University of Florida, Florida’s flagship research university, as well as a member of the board of directors of the University of Florida Athletic Association, the body responsible for overseeing University of Florida’s athletic programs. He currently serves on the board of directors of the Barbara Bush Foundation for Family Literacy.

Levine lives in Johnson City, Tenn., with his wife, Laura, a public health nurse. The couple has two adult children, Terry and Katy.
Bruce Behringer, M.P.H., was appointed the Deputy Commissioner for Continuous Improvement and Training for the Tennessee Department of Health in 2012. Behringer holds a Master of Public Health degree from the University of North Carolina School of Public Health and a Bachelor of Science degree from the Pennsylvania State University College of Human Development. Behringer joined the Health Department after 20 years at East Tennessee State University’s Office of Rural and Community Health and Community Partnerships in the Division of Health Sciences as associate vice president and executive director. He served as faculty and helped develop ETSU’s nationally recognized interprofessional community-based programs and has published on community-based participatory research about Appalachian disparity issues, such as substance abuse, cancer and diabetes. Before joining the faculty at ETSU, Behringer was Executive Director of the Virginia Primary Care Association, Inc. and administrator of Tri-County Health Services, Inc. in Aurora, N.C. Behringer has served on numerous national health committees and councils focusing on rural health, including the Appalachian Regional Commission’s Health Policy Advisory Council, Tennessee Institute of Public Health, Tennessee Rural Health Recruitment and Retention Center (The Rural Partnership) and the National Rural Health Association, of which he was president. In the Tri-Cities TN/VA, he also assisted with formation of CareSpark, the regional health information exchange; the Hispanic community coalition Puertas Abiertas; and the African American coalition, Minority Access to Community Health.
Candidates for Degrees

Because the commencement program must be prepared in advance, this list of candidates is tentative. Certification of graduation must come from the Registrar of the university.

The text contains a list of names and degrees earned. It appears to be a compilation of academic achievements, likely from an academic institution such as a university. The text is formatted in a way that each name is followed by the degree earned and the institution. There is no clear context or background information provided in the text. It seems to be a document recording academic accomplishments, possibly for a yearbook or a similar publication.

ACADEMIC REGALIA

The three academic degrees generally recognized are the bachelor’s, the master’s and the doctor’s. The name of each degree seems to have been determined by medieval university custom. The bachelor’s degree, the baccalaureate, takes its name directly from the medieval practice of “bachelors” wearing a garland of bayberries. The master’s degree was equivalent to a license to teach, and sometimes was followed by the express words Licentia Docendi. The doctor’s degree was originally a title of respect and a recognition of great learning. Today the doctor’s degree indicates advanced study and independent research in a specialized field of learning, whereas honorary degrees are granted for meritorious service and for distinction in public or private endeavor. In the medieval university, students and teachers wore gowns indicating their status and scholastic achievement.

In 1895, an intercollegiate commission drafted a uniform code for the use of academic caps, gowns and hoods in the United States. This code is followed by approximately 95 percent of all colleges and universities. In 1932 and 1935 the American Council on Education reviewed and refined the American academic costume.

Those holding a bachelor’s degree traditionally wear a gown of worsted material, fastened at the top, and distinguished by long pointed sleeves hanging nearly to the knees. The master’s gown, worn open, is made either of worsted or silk, and has long closed sleeves with an arc appearing near the bottom and a slit for the arm near the middle of the sleeves. The doctor’s gown, also worn open, is made of silk, faced with a broad strip of velvet, and has three bars of velvet on each sleeve.

A hood may be worn with the gown and is made of the same material. The master’s hood is three and one-half feet long, faced with a three-inch strip of velvet; the doctor’s hood is four feet long, faced with a five-inch strip of velvet. The color of the tassel or the velvet strip on the hood indicates the field of study in which the degree was earned or granted, as for example: Agriculture – Maize; Arts, Letters, Humanities – White; Commerce, Accountancy, Business – Drab; Dentistry – Lilac; Economics – Copper; Education – Light Blue; Engineering – Orange; Fine Arts including Architecture – Brown; Forestry – Russet; Journalism – Crimson; Law – Purple; Library Science – Lemon; Medicine – Green; Music – Pink; Nursing – Apricot; Oratory (Speech) – Silver Gray; Pharmacy – Olive Green; Philosophy – Dark Blue; Physical Education – Sage Green; Physical Therapy – Teal; Public Administration including Foreign Service – Peacock Blue; Public Health – Salmon Pink; Science – Golden Yellow; Social Work – Citron; Theology – Scarlet; Veterinary Science – Gray.

The appropriate cap for all degrees is the familiar black “mortarboard.” A black tassel, or one of a color signifying the field of specialization, hanging to the left of the face, is appropriate for all degrees. Those holding a doctor’s degree may wear a soft velvet cap of the color indicating their field of study, or with the “mortarboard” may wear a tassel in whole or in part of gold thread.

The Presidential Medallion

The presidential medallion is the traditional symbol of office worn at official functions. The design features a torch symbolizing learning; a wreath, symbol of victory, while the star ruby symbolizes excellence.

The Mace

The East Tennessee State University mace is an organic design in forged silver with an ebony handle. The form gives a circular impression, referring to the medieval concept of a heavy armor-breaking club yet losing its warlike appearance by becoming less solid and a more decorative symbol of the university as it encompasses global thinking. A central staff radiates the thrust of the rhythmical branches of the tree of knowledge; the heavier branches representing the well-established disciplines and the more delicate ones the beginnings and growth of the new.

The Flag

The flag of East Tennessee State University is of simple conception, yet representative of the rich heritage of the area and the aspirations of the university.
National Honor Societies

**Alpha Sigma Lambda**
The cream-colored stoles with deep burgundy and antique gold embroidery signify the credo “First in Scholarship and Leadership” and membership in the Zeta Tau chapter of Alpha Sigma Lambda, the Premier National Honor Society for Nontraditional Students.

**Gamma Beta Phi**
The gold sash worn by some of the graduates signifies membership in the Gamma Beta Phi Honor Society which emphasizes scholarship, service, and character.

**Gamma Sigma Alpha**
The cords of red and gold worn by some graduates signify membership in Gamma Sigma Alpha and a commitment to leadership, academic achievement, and excellence as core values of fraternities and sororities.

**Golden Key International Honour Society**
Golden Key medallion, honor stole, and honor cords: A round 2” gold sandblast finish medallion with the Golden Key logo attached by a Royal Blue and Gold 30” neck ribbon. The Golden Key Honor Stole in a beautiful rich gold satin embroidered with the GK logo in Royal Blue. Golden Key Honor Cords have a double strand of intertwined Royal Blue and Gold cords with a Golden Key charm attached. Golden Key regalia represent membership in Golden Key International Honour Society and the pillars of Academics, Leadership, and Service for which the society was founded.

**Phi Kappa Phi**
The blue, gold, and white medallions worn by some of the graduates signify membership in the National Honor Society of Phi Kappa Phi which recognizes and encourages superior scholarship in all academic disciplines.

**Omicron Delta Kappa**
The sky blue, black, and white intertwined honor cords worn by some of the faculty and graduates signify membership in Omicron Delta Kappa, the National Leadership Honor Society which recognizes juniors, seniors, and graduate students who exhibit excellence in one or more of the following areas: scholarship, athletics, community service, campus governance, involvement in student organizations/publications, or the performing arts.

**National Residence Hall Honorary**
The blue and white cords worn by some of the graduates signify membership in the National Residence Hall Honorary which recognizes the top one percent of residence hall student leaders.

**Sigma Alpha Lambda**
The navy, black, and gold intertwined honor cords worn by some of the graduates signify membership in Sigma Alpha Lambda, National Leadership, and Honors Organization which recognizes and encourages academic achievement, servant leadership, and community service.

**Tau Sigma**
Cords of burgundy and gold signify membership in Tau Sigma, an academic honor society designed specifically to “recognize and promote the academic excellence and involvement of transfer students.”

**College of Arts and Sciences**

**Alpha Psi Omega Lambda Epsilon**
The amber and sky blue cords represent membership in the Alpha Psi Omega National Theatre Honor Society, designed to recognize and reward exemplary student participation in Theatre.

**Kappa Mu Epsilon**
The rose pink and silver cords represent membership in the Tennessee Beta Chapter of the Kappa Mu Epsilon national mathematics honor society which recognizes achievement in and appreciation of mathematics by ETSU students.

**Lambda Pi Eta**
Students who have attained a standard of excellence in the field of communication wear honor cords of red and white to signify their membership in Lambda Pi Eta honor society.

**Phi Alpha National Honor Society**
The blue and gold medallions worn by some of the graduates signify membership in the Phi Alpha National Honor Society which recognizes and encourages superior scholarship in Social Work as well as all other academic disciplines.

**Phi Alpha Theta**
The maroon and light blue cords worn by some of the graduates and faculty signify membership in Phi Alpha Theta, an American honor society established in 1921 for undergraduate and graduate students and professors of history. The society is a charter member of the Association of College Honor Societies. East Tennessee State University’s chapter, Alpha Epsilon Epsilon, was chartered in 1989.

**The Star-Spangled Banner**
Oh say, can you see, by the dawn’s early light,  
What so proudly we hailed at the twilight’s last gleaming?  
Whose broad stripes and bright stars through the perilous fight,  
O’er the ramparts we watched, were so gallantly streaming?  
And the rockets’ red glare, the bombs bursting in air,  
Gave proof through the night that our flag was still there.  
Oh say does that star-spangled banner yet wave  
O’er the land of the free and the home of the brave?

**Alma Mater**
In the shadow of the mountains,  
Under skies of blue,  
Stands our dear old Alma Mater,  
Glorious to view,  
Sound the chorus, speed it onward;  
Thee we’ll never fail!  
Hail to thee, our Alma Mater—  
Hail to thee, all hail!  

In thy halls we formed our friendships,  
Dear old college home;  
And to thee we pledge our hearts,  
Wherever we may roam,  
Sound the chorus, speed it onward;  
Thee we’ll never fail!  
Hail to thee, our Alma Mater—  
Hail to thee, all hail!
