

A RESOLUTION TO EXTEND BUCSHOT RED ROUTE SCHEDULE PAST 2:15 P.M.

WHEREAS, the BUCSHOT is a service offered to students, faculty and staff on the campus of East Tennessee State University and;

WHEREAS, the Red Route of this service provides a regularly scheduled route linking the center of campus to exterior parking lots on days during which classes are held Monday through Friday and;

WHEREAS, this service is currently suspended at 2:15 P.M. with limited service options being offered to students who park in lot (1) or lot (22a) and;

WHEREAS, the increase in student enrollment at East Tennessee State University has led to the utilization of these lots later into the afternoon hours and;

WHEREAS, the number of students enrolled in classes ending after 2:15 P.M. is in the thousands and;

WHEREAS, an investigation into the number of automobiles remaining in lot (1) and lot (22a) during the last route of the day at 2:15 P.M. resulted in an observation of automobiles numbering in the hundreds and;

WHEREAS, several students from across the University community have expressed concern over the inconvenience of the early termination of service and;

WHEREAS, the cost to extend this route by two hours in order to increase the viability of this vital service offered to the students of East Tennessee State University would be minimal.

NOW THEREFORE, BE IT RESOLVED BY THE 2010-2011 STUDENT GOVERNMENT ASSOCIATION AT EAST TENNESSEE STATE UNIVERSITY THAT:

Section 1. The Student Government Association at East Tennessee State University, the elected, representative assembly of the student population, respectfully requests the Office of Parking Services and the Johnson City Transit Authority to extend the BUCSHOT Red Route service time to terminate no earlier than 4:15 in the afternoon.
