

**A RESOLUTION TO INSTALL A DRINKING FOUNTAIN AT THE 0.62 MILE
OUTDOOR FITNESS TRACK LOCATED IN THE VICINITY OF SUMMERS-TAYLOR
STADIUM.**

WHEREAS, the 0.62 fitness track located around Summers-Taylor stadium is heavily used by members of the student body, faculty, staff and community and;

WHEREAS, there is currently no public access to a water source that provides potable water for consumption to the exerciser at this facility and;

WHEREAS, a water fountain would provide this much needed service to those who use the fitness track and;

WHEREAS, facilities has begun investigation as to the cost of the work, but an estimated date of completion has not been established and;

WHEREAS, Basler Center for Physical Activity has agreed to fund this project and;

WHEREAS, the drinking fountain needs to be operational before the weather warms in the spring and exercisers once again begin to heavily use this facility.

**NOW THEREFORE BE IT RESOLVED BY THE 2010-2011 STUDENT
GOVERNEMENT ASSOCIATION SENATE AT EAST TENNESSEE STATE
UNIVERSITY THAT:**

Section 1. The Student Government Association, the elected representative assembly of the student population, respectfully requests Facilities and Basler Center for Physical Activity to work together with the greatest possible expediency to establish a timeline for completion of the drinking fountain project at the South entrance of Summers-Taylor Stadium which will serve users of the 0.62 mile fitness track.
