

**A RESOLUTION TO PROVIDE THE STUDENT BODY WITH INSIGHT ABOUT THE  
VARIOUS ACTIONS OF THE STUDENT GOVERNMENT ASSOCIATION AT THE  
CONCLUSION OF EACH SEMESTER IN THE FORM OF A PUBLICATION.**

**Whereas**, a majority of the student body is woefully uninformed about the work done by the Student Government Association, and;

**Whereas**, more students would be made aware of legislation or an action that could benefit them, and;

**Whereas**, it is the right of every student of East Tennessee State University to be properly informed of any changes made that affect student life, and;

**Whereas**, this would substantially increase the interest in Student Government Association, and potentially enhance our standing with the student body.

**NOW THEREFORE BE IT RESOLVED BY THE 2010-2011 STUDENT GOVERNMENT  
ASSOCIATION OF EAST TENNESSEE STATE UNIVERSITY THAT:**

**Section 1.** The secretary of the Student Government Association shall provide a brief summary of the legislation completed by each senator throughout the semester

**Section 2.** The executive branch shall collaborate, and conjoin the summaries in a fashion that is appropriate for publication.

**Section 3.** The finished product shall be provided to the senate for review, and given to the East Tennessean for publication in the semester's final printing.
