

A RESOLUTION TO IMPLEMENT AN ONLINE SYSTEM FOR CULP CENTER RESERVATIONS.

Whereas, the current procedure for Culp center facility reservation is tasking and often prone to error, and;

Whereas, an online system would be paperless and thus environmentally friendly, and;

Whereas, an online system would be available at all times and therefore readily accessible, and;

Whereas, a similar system is already in place for the registration process designed for ETSU campus tours.

NOW THEREFORE BE IT RESOLVED BY THE 2010-2011 STUDENT GOVERNMENT ASSOCIATION SENATE OF EAST TENNESSEE STATE UNIVERSITY THAT:

Section 1. The 2010-2011 Student Government Association Senate of East Tennessee State University respectfully requests that the University Center reservationist/Conference Office in conjunction with the Office of Information Technology implement an online service for the ETSU request of facilities use.
