NOTIFICATION OF BUCCANEER RIDGE HOUSING LOTTERY:  
FEBRUARY 29-MARCH 1, 2020

ETSU students who are currently living on campus, but not currently living at Buc Ridge Apartments, are eligible to participate in the lottery for Buc Ridge Apartments. The lottery process occurs entirely online from 12:01 A.M. on February 29 to 11:59 P.M. on March 1. The lottery application is being made to all residents currently assigned to a Residence Hall; however, you do not have to participate in the process.

The lottery gives returning residents, who are not currently in Buc Ridge Apartments, an opportunity to be chosen for a space in the community. All individuals who complete a lottery application within the given time period (12:01 A.M. on February 29 to 11:59 P.M. on March 1) will be assigned a computer-generated random number. Available space will be assigned beginning with the lowest number.

Steps to participate in the Buc Ridge Housing Lottery:

- Click here to login to Residence. You will see the Buc Ridge Lottery Application 2020-2021 on your home page.
- Click on “Get Started” and answer all questions asked. When you get to the Matching Profile, make note of your Profile Number. The published lottery list will identify you by this number. After completing the Matching Profile, residents may indicate preferences for roommates and Phase(s) they are interested in. You can view the Proposed 2020-2021 Semester Room and Meal Plan Rates here. If you want to request a roommate, see the information below:
  - Individuals who wish to request a roommate may do so through the online lottery form. Roommates must both participate in the lottery and indicate each other on their lottery forms.
  - Indicating a preference for a roommate will NOT guarantee you and your chosen roommate will both be assigned together or both to a space in Buc Ridge Apartments.
  - If you and your requested roommate are able to be assigned together, then you will be.
  - If you have a requested roommate and there is not an empty room available when your number comes up for assignment, or your requested roommate is much lower on the lottery list than you and we are not able to initially assign you both to space in Buc Ridge, you may choose through the lottery questionnaire to be assigned to a space without your chosen roommate. If you choose this option, you will be assigned to a space in Buc Ridge. Your roommate will be on the lottery list for assignment, unless they request to be removed. Assignments staff will continue working to get you assigned with your requested roommate as space becomes available.

On March 2nd, the lottery list will be published on the Housing and Residence Life website by 5:00 p.m. Residents will be identified on the list by their Resident Profile Number. This number is visible in the Matching Profile section of the Buc Ridge Lottery Application. Beginning with the lowest number on the lottery list, assignments staff will assign students to Buc Ridge apartments March 3rd through 5th until all available spaces are filled.

Individuals chosen through the lottery to move to Buc Ridge will be sent an assignment notification at their ETSU email address. The email will include instructions for confirming the Buc Ridge Agreement. To keep the assigned space, it is important to confirm/submit the Agreement in a timely manner. If you are assigned to a phase or roommate you do not want, you may choose to a) decline the assignment and be moved to the bottom of the Buc Ridge lottery list; b) accept the assignment by confirming the Agreement and submitting a request to move to Assignments@etsu.edu; or c) ask to be removed from the lottery list. Requests to move will be processed by date of request. Residents not assigned will remain on the list in order of their randomly-assigned number and assigned as space becomes available. Residents will be notified if they are placed on this “waitlist”.

On March 2nd, the lottery list will be published on the Housing and Residence Life website by 5:00 p.m.
