EAST TENNESSEE STATE UNIVERSITY

### **Advisory for Residents of Suites in Carter and Stone Halls**

Please be reminded that suite bathrooms in Carter and Stone Halls will NOT be lockable from the bedroom side.

This means that you will not be able to lock suitemates out of your sleeping space, even if you have rented that space as a private room.

This policy is to insure that our halls are aligned with best practices for fire and life safety.

Of course, bathrooms will be lockable from the inside to insure privacy.

*I have reviewed the suite bathroom locks document and agree.*
