

FYRE Community Standards

- I am committed to the mission of the FYRE Living-Learning Community, which exists to help foster connection to the university for incoming freshmen students. I understand that the success of this LLC relies heavily on the students in the community, and this success lies in my ability and willingness to treat FYRE community members and others at ETSU with respect and civility in and out of the classroom.
- I understand that my participation in the FYRE LLC is a yearlong commitment for both fall 2016 and spring 2017 semesters.
- I understand that I must live in space designated at Buccaneer Ridge Apartments for the FYRE community in order to participate in this LLC.
- I understand that I must adhere to the requirements noted, including full participation in a minimum of 2 activities each month, in order to remain eligible in the FYRE LLC.
- I understand that any conduct violations at ETSU may result in my dismissal from the FYRE LLC.
- I will participate fully and completely in Preview and all FYRE move-in activities. I recognize that attendance will be taken regularly.
- I will complete any required courses for the FYRE LLC as required.
- I will attend and complete any required meetings and activities.
- I will take an active role in the FYRE LLC and will participate in evaluation and reflective activities.
- I understand that if I do not meet these community standards, I will relinquish my FYRE assignment, which includes but is not limited to, course enrollment and assignment at Buccaneer Ridge Apartments. **I acknowledge that I will be reassigned to a location in a campus residence hall and will be required to purchase a residential meal plan.**
- I give permission for any photographs taken of me participating in the FYRE LLC to be used by the university in publications and/or web and social media sites.
