

- I am committed to the mission of the Innovations Living-Learning Community, which exists to prepare students to become future entrepreneurs, innovators, business and community leaders by emphasizing creativity, teamwork, and collaboration. I understand that the success of this LLC relies heavily on the students in the community, and this success lies in my ability and willingness to treat Innovations LLC community members and others at ETSU with respect and civility in and out of the classroom.
- I understand that my participation in the Innovations LLC is a yearlong commitment for both fall 2017 and spring 2018 semesters.
- I understand that I must live in space designated at Centennial Hall for the Innovations LLC in order to participate in the community.
- I understand that I must adhere to the requirements noted, including full participation in community activities each month, in order to remain eligible in the Innovations LLC.
- I understand that any conduct violations at ETSU may result in my dismissal from the Innovations LLC.
- I will participate fully and completely in all Innovations LLC events. I recognize that attendance will be taken regularly.
- I will take an active role in the Innovations LLC and will participate in evaluation and reflective activities.
- I understand that if I cease to be eligible for the Innovations LLC or voluntarily withdraw from participation in the Innovations LLC for any reason, I will relinquish my Innovations LLC assignment, which includes but is not limited to, assignment in Centennial Hall in the LLC spaces.
I acknowledge that I will be reassigned to another residential space and cannot continue to live in my assigned space in the LLC if I am no longer a participant.
- I give permission for any photographs taken of me participating in the Innovations LLC to be used by the university in publications and/or web and social media sites.

By signing below, I understand that the professional staff (LLC Community Coordinators and AD for Academic Initiatives) working with the Innovations LLC have my permission to check my academic and conduct records at ETSU to ensure compliance with the requirements of this Living-Learning Community. I also sign that I have fully read and commit to this set of community standards for the Innovations LLC.
