

Teacher Education Living-Learning Community Community Standards

- I am committed to the mission of the Teacher Education Living-Learning Community, which exists to provide a supportive, interactive, and educational community for students interested in primary or secondary education careers. I understand that the success of this Living-Learning Community relies heavily on the students in the community, and this success lies in my ability and willingness to treat Teacher Education community members and others at ETSU with respect and civility in and out of the classroom.
- I understand that my participation in the Teacher Education LLC is a year-long commitment for both fall 2017 and spring 2018 semesters.
- I understand that I must live in space designated in Lucille Clement Hall for the Teacher Education community in order to participate in this LLC.
- I recognize that I must register for Preview 2017, which occurs prior to the start of the fall semester. I understand that attendance will be taken throughout Preview and that I must participate in the entire program. Failure to attend Preview may result in my removal from the Teacher Education LLC and reassignment to a residence hall space on the ETSU campus.
- I understand that I must adhere to all Teacher Education requirements noted, including full participation in a minimum of 2 activities each month, in order to remain eligible in the Teacher Education Living-Learning Community.
- I understand that any conduct violations at ETSU may result in my dismissal from the Teacher Education LLC.
- I will enroll and complete any required courses for the Teacher Education LLC as directed.
- I will take an active role in the Teacher Education LLC and will participate in evaluation and reflective activities.
- I understand that if I cease to be eligible for the Teacher Education LLC or voluntarily withdraw from participation in the Teacher LLC for any reason, I will relinquish my Teacher Education LLC assignment, which includes but is not limited to, course enrollment and assignment in Lucille Clement Hall in the LLC spaces. **I acknowledge that I will be reassigned to a location in a campus residence hall if I am removed from the Teacher Education Living-Learning Community or choose to voluntarily withdraw from participation.**
- I give permission for any photographs taken of me participating in the Teacher Education LLC to be used by the university in publications and/or web and social media sites.

By signing below, I understand that the professional staff (LLC Community Coordinator and AD for Academic Initiatives) working with the Teacher Education LLC have my permission to check my academic and conduct records at ETSU to ensure compliance with the requirements of this Living-Learning Community. I also sign that I have fully read and commit to this set of community standards for the Teacher Education LLC.
