### **What is SI?**

- SI is a research-based, peer-facilitated academic support program designed to help students achieve success in historically difficult courses.*
  - SI sessions are free and open to everyone.*
  - SI provides a structured, interactive, and engaging environment for group study, practice, asking questions, discussion, and exam prep.*
  - SI helps students develop good learning skills and teaches strategies that can be immediately applied to challenging course material.*
  - Students who start attending early in the semester and attend regularly earn top grades.***
