Tours will be given between 3:00-4:00 p.m. departing from the Ballroom. 3rd floor D.P. Culp Center Ballroom

SESSION DESCRIPTIONS
Bluegrass, Old-Time, and Country Music Studies Auditions: All incoming students who plan to major in Bluegrass, Old-Time, and Country Music Studies must perform a five-minute audition to demonstrate technique, musicianship and artistry. Please attend if you have not formally auditioned for the major.

Bluegrass, Old-Time, and Country Music Studies Pre-Advisement: All incoming students who plan to major in Bluegrass, Old-Time and Country Music Studies will be pre-advised for class registration.

Campus Rec: Your One-Stop Rec Stop!: Campus Recreation promotes healthy and active lifestyles by providing high quality recreational facilities, programs, and services for the entire campus community.

Dining On-Campus: A Unique Experience!?: Anytime Dining is at ETSU! The ability to dine together throughout the day and seven days a week can directly impact students' residential/college experiences. All-inclusive, well-balanced and convenient Anytime Dining is available to all students. Have a Plan!!

ETSU ID Card & ID BUCS: This session will cover all important functions of your ID Card. Including: residence hall and academic door access, printing, and campus parking. You will be informed on the priviledges and cost saving benefits of using your id card as a debit card using ID BUCS and how to manage and make deposits to your account online.

ETSU Kingsport Campus: Advisors from ETSU at Kingsport will meet with students and parents to answer questions about taking classes at the Kingsport Campus. Advisors will discuss services offered and give students an overview of the advisement process.

ETSU Study Abroad: International experiences are becoming critical to job placements and professional careers. This session will provide an overview of the variety of study abroad and international exchange opportunities available to ETSU students. ETSU International Education Scholarships, as well as other funding sources, will also be described. Learn about how we can help you distinguish your undergraduate career.

Financial Aid 101: The Office of Financial Aid offers financial assistance to students through state and federal programs that provide scholarships, grants, loans, and student service positions. This session will provide a better understanding about the financial aid process including information about filing a FAFSA, completing verification requirements (if selected), and accepting/declining awards on GoldLink.

Finding a Major, a Career, and a Job: This program will highlight the resources provided by University Career Services to assist new students in making informed decisions about major and career direction. Beginning with an overview of the Focus 2 career discovery program, developing career competencies through engagement on campus, experiential learning and career services will also be discussed. In this session, students may also register to take Focus 2 during the summer.

Fine & Performing Arts Scholars Program (closed session): The Fine & Performing Arts Scholars program accepts artistically talented and competitive students for all of the creative disciplines at ETSU, with curriculum, service and extracurricular activities and collaborative undergraduate thesis research supporting their development as artists.

Honors-in-Discipline Programs: Honors-in-Discipline Programs offer scholarship opportunities for students participating in honors programs within their majors as a part of specific department requirements.

Mary B. Martin School of the Arts at ETSU: A complete college experience includes activities both inside and outside the classroom. ETSU students have opportunities to attend music, theatre, dance, and storytelling performances, art exhibitions, guest lectures, and film screenings. This session is a snapshot of the activities and opportunities available in the coming semester.

Military Professions Advisement: For students interested in pursuing a professional career in the health field of Chiropractic, Dental, Medicine, Physic, Pharmacy, Physician Assistant, Podiatry, and Veterinary Medicine.

Military Sciences/ROTC: ETSU Army ROTC trains and develops students to be officers and future leaders for our Nation's Army. Cadets study leadership theory and employ it on a daily basis through planning, coordination, and leading physical fitness and tactical training. Upon graduation BUC Battalion Cadets are disciplined, self-confident and equipped with all skills needed for great success in the Army and beyond.

On-Campus Housing-Your Success Matters to Us!: This session is designed to provide information regarding on-campus housing which will include benefits/value of living on-campus, application process, programs and services, academic initiatives; and community living standards. There will be a question/answer period.

President Honors Community Service: The Presidential Honors Community Service Scholars program provides scholarship support, an honors curriculum, service opportunities, and extracurricular activities for 20 incoming freshmen who demonstrate a commitment to continuing community engagement and service.

Student Involvement at ETSU: We will discuss all of the ways that students can get involved at ETSU and provide reasons why involvement on campus is important and can contribute to student success.

Tennessee Education Lottery Scholarship Program: General information will be provided regarding the HOPE and other ETSU Scholarships.

Tutoring at ETSU: This session will cover the free tutoring and learning support services available to all ETSU students through the Center for Academic Achievement.

University Honors Scholars: The Honors College welcomes 24 University Scholars, offering them a 40-credit curriculum, service and extracurricular activities and undergraduate research. UHS students receive scholarships covering tuition and fees, residence hall and meal plan, and an honors allowance.
