Inclusive Engagement & Student Success

The Mary V. Jordan Multicultural Center seeks to promote the University's commitment of diversity, and to broadening multicultural awareness and sensitivity, and encourages cross-cultural collaborative relationships through recruitment, retention, engagement, and success. The Jordan Center also provides educational student support services, multicultural programming and encourages dialogue on inclusion/diversity related issues.

Room: Multicultural Center, Second Floor

Presented by: Mary V. Jordan Multicultural Center

What Can University Career Services Do For You?

Think Career Services is only for seniors? Think again. UCS walks with students along their career journey every step of the way: Start with the FOCUS2 career assessment to see where your interests and skills can take you. Sophomore or junior year, need an internship for that added "oomph" on your résumé? We can help with that, too. When it's time to start looking for that job you've always wanted and worked so hard for, come in for a résumé review, interview practice, and a free shopping trip to Bucky's Career Closet. Partnering with UCS throughout your time at ETSU means, when you graduate, you'll be ready to find a place to land in the job market.

Room: Culp 303

Presented by: Career Center

Medical Professions Advisement Information Session

For Pre-Medicine, Pre-Pharmacy, Pre-Dental, Pre-Physician Assistant, Pre-Optometry, Pre-Veterinary Medicine, Pre-Chiropractic and Pre-Podiatry: Join us to learn more about what it takes to be successful on the prehealth pathway at ETSU. Discover best practices for the successful professional school applicant beginning in the freshman year.

Room: Ballroom A

Presented by: Education Abroad Office, Center for Global Engagement

ETSU Mission and Values

ETSU provides a student-centered community of learning, reflecting high standards and promoting a balance of liberal arts and professional preparation, and continuous improvement. The university conducts a wide array of educational and research programs and clinical services including a comprehensive Academic Health Sciences Center. Education is the university's highest priority, and the institution is committed to increasing the level of educational attainment in the state and region based on core values where:

PEOPLE come first, are treated with dignity and respect, and are encouraged to achieve their full potential; **RELATIONSHIPS** are built on honesty, integrity, and trust; **DIVERSITY** of people and thought is respected; **EXCELLENCE** is achieved through teamwork, leadership, creativity, and a strong work ethic; **EFFICIENCY** is achieved through wise use of human and financial resources; and **COMMITMENT** to intellectual achievement is embraced.
