East Tennessee State University Circle

Omicron Delta Kappa was the first college honor society of a national scope to give recognition and honor for meritorious leadership and service in extracurricular activities and to encourage development of general campus citizenship. Through membership in OΔK, you enter the ranks of over 300,000 women and men whose peers recognize them as scholars and leaders.

To be considered for membership, please fill out the following form and submit to the Office of Leadership and Civic Engagement in the Carrier Center for Student Success and Engagement OR email to lead@etsu.edu by Friday, March 6, 2020 at 4:00 p.m.

This membership application form is only one component of the membership selection process. In addition to the application, candidates must also participate in an interview, and attend the Summit Awards Reception on Thursday, April 16 at 7:00 p.m. at the Millennium Center Ballroom.

Attendance is also required at the Official Induction Ceremony on Thursday, April 23 at 4:30 p.m.

National membership dues will be paid by the Division of Student Life and Enrollment.

Students who have already received this honor and students in professional schools are not eligible. An academic average of 2.8 cumulative GPA or better is a prerequisite, and to receive serious consideration the student must have made significant contributions to at least two of the following categories:

- Community service
- Campus organizational life
- Drama, speech, music, fine arts
- Campus governance
- Athletics
- Publications

Please designate the years in which you were involved in the activity and/or held a leadership position with the organization, i.e. 2018-19 or 2018-present. Please do **not** include any of the following: (1) activities at another university or 2) ETSU activity which involves academic credit. (Elected or appointed leadership positions offering a “scholarship” may be listed.)

The information on the ODK application form and the results of a personal interview will be used by the Selection Committee to determine successful applicants. Candidates are evaluated in scholarship achievement, breadth and quality of involvement in campus activities and personal presentation.

Eligible candidates must be available to interview on the date and time specified by the Selection Committee. Interviews for selected qualified candidates will be scheduled for Wednesday, March 11 and Thursday, March 12. Applicants are asked to indicate ALL available times on those dates in order that the committee can create the interview schedule. Inability to schedule an interview time on one of those two dates will result in withdrawal of the candidate’s application.

Please note that the attached application must be completed. **Attached résumés will not be considered.** Incomplete or illegible applications may be excluded from consideration. Applications **will not** be accepted after 4:00 p.m. on Friday, March 6, 2020.
