Temporary Signage Must Keep to the Following Requirements

To post on the ETSU Main Campus, temporary signage (i.e. yard signs, A frames, flags, etc.) must be stamped by the SORC and shall clearly identify the date of approval and the organization, department or office responsible for the event or message advertised by the signs.

Approved temporary signage installations may remain in place until the event has occurred or the end of the thirty (30) day period during which they are approved – whichever is sooner. The group/department listed above will be responsible for completely removing the signage and restoring the surface where the sign was mounted to its original condition.

It is the responsibility of the organization, department or office sponsoring the signs to ensure that ETSU property/grounds are not damaged through the process of installing or posting signs.

Appropriate placement locations

- Landscaped and mulched areas only – lawn (grass covered) surfaces are not included
- Gravel or stone covered areas
- Approved exterior surfaces where banner support locations have been placed (available for some campus buildings)

Temporary signage may not be affixed to or placed in the following locations:

- Lawn surfaces where mowing may take place
- The outside of buildings (walls, doors, windows, roofs, or steps) or interior doors, windows, walls, floors, or ceilings.
- Trees, poles, traffic signs, building signs, trashcans, fire hydrants, fences, or hillsides.
- Obstructing the entrances or exits of buildings, blocking fire hydrants or in the line of vision to vehicular or pedestrian traffic.

Signage Content:

- The content should be related to campus services, projects, activities, and events.
- Messages on the signs must be written in and/or have a translation in the English Language, and must adhere to the ETSU Student Code of Conduct.
- Charitable community, non-profit organizations may submit requests for approval.
- Content **cannot** include:
 - Commercial advertising of any type
 - Signage must not: (a) have illegal aims and goals; (2) propose activities, which would violate regulations of the Board of the institution or school, or federal or state laws and regulations, or materially and substantially disrupt the work and discipline of the institution or school; or (c) advocate incitement of imminent lawless action, which is likely to produce such action. Furthermore, public displays which an average person applying contemporary community standards would find, (1) taken as a whole, appeals to the prurient interest, (2) depicts or describes sexual conduct in a patently offensive way, and (3) taken as a whole, lacks serious literary, artistic, political or scientific value are prohibited.
- Consideration should be given in selecting font size to insure the content can be read from a reasonable distance.

Enforcement:

Signs placed in compliance with these guidelines cannot be removed or relocated without prior permission from the sponsoring organization unless done so by University personnel.

Failure to follow these guidelines may result in possible removal of the sign(s), fines for the cost for repairing damages, and loss of future privileges to post signage. The University may dispose of, without notice, any signs that do not comply with University policies and regulations.

Sponsoring groups who believe their signs have been removed in error may make appeal to the SORC staff and/or the Dean of Students for resolution.
