This will confirm the results of the Disciplinary Hearing which was held with Michelle Byrd on September 14, 2021 9:00 AM at 302 Burgin Dossett Hall to review an incident (Conduct Code Violation) that occurred off-campus on August 7, 2021 12:00 AM.

After reviewing all of the information presented, it was determined that you are responsible for violating the following sections of ETSU's Institutional Disciplinary Policies:

Disciplinary Offenses/Alcoholic Beverages. - The use and/or possession of alcoholic beverages on institution owned or controlled property. This offense includes the violation of any local ordinance, state, or federal law concerning alcoholic beverages, on or off institution owned or controlled property, including but not limited to where an affiliated group or organization has alcoholic beverages present and available for consumption; If you are under the age of 21 years and are convicted of an alcohol or drug charge your parents/family will be notified of such in writing per state law (Tenn. Code Ann. § 49-7-146 (2013)).

Disciplinary Offenses/Conduct Dangerous to Self or Others. - Causing physical harm to any person (including oneself); endangering the health or safety of any person (including oneself); engaging in conduct that causes a reasonable person to fear harm to his/her health or safety; or making an oral or written statement that an objectively reasonable person hearing or reading the statement would interpret as a serious expression of an intent to commit an act of unlawful violence to a particular individual or group of individuals.

Disciplinary Offenses/Violation of General Rules and Regulations. - Any violation of the general rules and regulations of the institution as published in an official institutional publication, including the intentional failure to perform any required action or the intentional performance of any prohibited action;

As a result of this finding, you must complete the following sanctions:

1. Probation.

Start Date: Tuesday, September 14, 2021

Complete by: Thursday, September 01, 2022

Continued enrollment of a student or recognition of a student organization on probation may be conditioned upon adherence to these regulations. Any student or organization placed on probation will be notified in writing of the terms and length of the probation. Probation may include restrictions upon extracurricular activities, or any other appropriate special condition(s). Any conduct in further violation of these regulations while on probationary status or the failure to comply with the terms of the probationary period may result in the imposition of further disciplinary action;

2. Any alternate sanction deemed necessary and appropriate to address the misconduct at issue.

Sigma Kappa will complete the terms listed in the Letter of Probation from their national headquarters dated September 1, 2021.

Once the terms have been completed, President Blazer will notify me and Maggie Darden, and review the completed items in a summary presentation report.

To appeal this decision, you must submit a written appeal to our office. Your appeal will must be received within three (3) business days of this letter to be considered. Grounds for filing an appeal are listed below.

ETSU STATEMENT OF PROCEDURAL RIGHTS Post-Hearing & Appeal Information — Please Review Carefully

The respondent has the right to appeal this decision and/or sanction to the next higher judicial authority.

The respondent may be asked of their desire to appeal at the end of a hearing, but will have three (3) business days to reach a final decision.

The time limit for filing an appeal expires 3 business days following the receipt of the hearing outcome letter.

If the respondent desires to appeal, a written statement of reasons for appealing must be forwarded to office which adjudicated the case, either the Office of Housing and Residence Life (1st floor Burgin E. Dossett Hall) or the Student Life and Enrollment Office (302 Burgin E. Dossett Hall). Reasons for appealing must be stated in writing and based upon:

1. alleged irregularities that violate procedural due process; or
2. upon introduction of new evidence that might cause another hearing officer of board to alter the decision or sanction; or
3. if the accused feels that the sanction is unduly harsh

The case will be reviewed only in that portion of the original hearing that deals with the

appeal.

The appeal will be forwarded to the appropriate appeal board/officer; who will set a date for reviewing the case.

The appeal board or officer, upon reviewing the case, will have several options. The original decision may be affirmed or reversed. In cases where the original action is inappropriate as a result of issues involved in the appeal, the appeal board or officer may revert the case back to the original board or hearing officer, modify the original action, or hold a completely new hearing.
