RE: Pi Kappa Alpha

Dear Dr. Noland:

After much work with the members of the fraternity, the group has authorized me to advise you that they will accept the terms of the alternate resolution set forth in your letter of January 9, 2018 with the modifications provided in your January 30th letter. First, they asked me to thank you for allowing us to meet and discuss moving forward. The alumni that came in are very enthusiastic about continuing to work with ETSU to get Pi Kappa Alpha back in good graces with ETSU. We are having discussions now about the best method for selling the house and are working on getting an appraisal of the same. It is my clients' intention to send regular updates to your office to advise you what they have done to continue to comply with the requirements of our resolution. Again, we appreciate the time you took to meet with the young men and look forward to working with you with the goal of being back on campus by January 2020. If you have any questions, please call.

With kindest personal regards,

Thomas C. Jessee
TCJ/dt
