## Important Info for Seniors:

-Once you've registered for orientation at your fall school, your advisor will likely reach out to set up a **pre-advisement** appointment with you. This is a great opportunity to speak to your academic advisor and choose your fall classes BEFORE you even go to orientation! You can typically do these appointments in-person or over Zoom. Be checking your **college e-mail address** for an e-mail from your advisor. If you are planning on going to ETSU, this will be your e-mail address ending in **etsu.edu**.

-If you have decided where you are attending in the fall, make sure to log into your **TSAC portal** and ensure that school is listed as your #1 choice. This confirms that your federal financial aid will be sent to the correct school.

-**Financial Aid award letters** have been going out from schools. Make sure to be checking your mail and college e-mail address to find these. Some aid must be accepted/declined (such as loans and Federal Work Study)
