Career Spotlight Physician Assistant

Salary Range: \$98,760 - \$130,020

Education:

- Bachelor's Degree in a healthcare field
- Experience with patient care (EMT, medical assistant, certified nursing assistant (CNA), etc.)
- Physician Assistant program (about 3 years)

Overview:

Physician assistants (PAs) examine, diagnose, and treat patients under the supervision of a physician. They work in healthcare settings such as primary care, emergency medicine, and psychiatry.

SENIOR REMINDERS:

- The deadline to complete your FAFSA and still remain eligible for TN Promise is **APRIL 15th**. If you still need to complete your FAFSA please reach out to your school visit rep for assistance.
- Continue checking your e-mail **AT LEAST** once a week, preferably more often. If you have already been accepted to a school, they are likely communicating with you via the school e-mail they have set up. You will need to stay up-to-date on whatever information that are sharing with you.
- If you have already decided what school you will attend in the fall, you will need to sign up for orientation at that school. If you are Bridging AND attending ETSU in the fall you will only need to attend the summer orientation on **May 16th**.

SAVE THE DATE!

Our Senior Sash Ceremony will be
Wednesday, April 23rd
More info to come!!
