

# All About UB Summer!

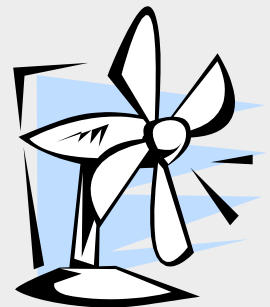

# What are the dorms like?

- Each room in Lucille Clement and West Hall has 2 twin size beds, 2 chairs, 2 built in desks, 2 closets, 2 sets of 6 drawers, and a sink. Stone is a suite style dorm where two rooms will share a bathroom.

- Every room (both Clement and Stone) includes:
  - Cable
- Internet
  - Internet Connect (Ethernet – 2 connections)
- Both buildings are air conditioned buildings
- Both buildings have elevators

# What are the dorms like?

- Each dorm is equipped with laundry facilities (that cost per use - \$1 to wash, \$1 to dry), a kitchen, a community refrigerator, and vending machines.
- Each dorm has a community gathering spot so that students can hang out with each other

# What are the dorms like?

- Both dorms have community showers—this means that everyone on one floor shares a set of showers.
