Sign-ups are now open for the Upward Bound college trip to the University of Tennessee at Knoxville and Maryville College on November 27th. We will depart ETSU at 7:30 am and not return to ETSU until after 6:00 pm. An itinerary and other paperwork will be provided once all spots are confirmed. The trip is limited to 50 students. Seniors who have already applied to UTK or Maryville will have priority.

EOC testing does begin that day and some students may not be able to attend due to testing or school policy. We are sorry about this inconvenience for anyone that wanted to attend. Each student must verify that their absence from school will be excused.

Upward Bound cannot excuse absences from school. If you know that you want to attend, please text Phil (423)300-9624. Please only sign up if you are genuinely interested and know that you can attend. **The deadline to sign up is October 30th at 12:00 pm but it will most likely fill up before then. There will be a waiting list.**
