PARTICIPANT AGREEMENT**

While East Tennessee State University's Veterans Upward Bound Project cooperates with the Veterans Administration in student referrals and recruiting, our policies, rules and guidelines are solely mandated by the U.S. Department of Education.

Please read the agreement carefully. Discuss questions you have with a staff member.

1. Each veteran admitted to the Veterans Upward Bound Project is required to actively participate in the Program agreed upon by staff members and participant, and must behave and dress in an appropriate manner.
2. VUB participants are guests of the university and may be suspended and/or dismissed from the project if any of the following occur:
 - Attendance in class or activity under the influence of or in possession of any illegal drug or alcohol **(ETSU is a drug/alcohol/tobacco-free campus)**.
 - Excess absences from class, missed appointments or inappropriate behavior.
 - Determination that VUB is an inappropriate program or course of instruction for the participant.
 - Inappropriate use, willful destruction or misappropriation of supplies and equipment.
3. The VUB Project is a contracted program between ETSU and the Department of Education and is dependent upon federal funds for continuance. ETSU and its personnel are in no way liable or obligated to continue project services if federal funds are terminated.
4. The VUB Project is authorized to pay stipends to participants who enroll in pre-college classes and/or receive tutoring in subject areas deemed necessary for entry into and success in post-secondary education programs. The stipend policy is included in the VUB Project Student Handbook which is provided to participants as part of the program intake process.
