## Rent To Own Program

- *Why should I rent an instrument?*  
Our Rent To Own Program is an affordable way for your child to try orchestra without having to purchase an instrument.
- *Can I purchase the instrument I rent?*  
Yes. In fact all your payments, less taxes and M&R fees apply toward the purchase of your instrument.
- *May I return the instrument if my child quits orchestra?* Yes. That is the beauty of our program. If your child decides that orchestra isn't for them, you may return the instrument at anytime with payments stopping at that time. (As long as all payments are up to date).
- *How much are rental payments?*  
Most instruments rent for as little as \$30 per month
- *Will I rent a new or used instrument?*  
Most instruments are new. You may opt to rent a used instrument when available.
- *What about needed repairs?* With our M & R Coverage any repairs required, **NOT DUE TO ABUSE OR NEGLIGENCE**, during the rental period are performed free of charge.

## M & R Coverage

M & R covers all repairs needed to keep the instrument in playing condition. It **DOES NOT** cover cleaning, regular preventative maintenance, or finishes. Instrument accessories such as, but not limited to, strings, rosin, string tuners, cases, or any other accessories are not covered by the Coverage. All repairs must be performed by our technicians. **See complete conditions on contract.**
