

Second Grade Newsletter
Thursday, August 16, 2018

Dear Families,

This week we have worked more with maps and globes. We have been working to create classroom maps and have worked in our map skills books. We have also begun looking at landforms and the Earth's surface. We will delve deeper into this next week.

In math we have wrapped up our math stations and have begun a new unit on place value. We will be talking about place value, skip counting, equal groups, and arrays next week.

In language arts we are continuing our literacy stations. We've continued spelling pre testing that will allow for the individualized spelling that will be coming soon. We've also been learning about subjects and predicates. We are continuing to enjoy Charlie and the Chocolate Factory.

-Ms. Kelli

Questions to Ask Your Child:

- Tell me about your classroom map.
- What kinds of things do you want to do in science discovery this year in second grade?
- Tell me about your math stations.
- What is happening in Charlie and the Chocolate Factory?

Announcements:

- No school tomorrow- it is parent/teacher conference day. If you did not get signed up for a conference and are interested please email me so we can work out a time and day that works for you. This invitation is open all throughout the year. I'm always happy to meet about your child.
- Teacher inservice will be Friday, August 24th. No school for kids.
- ETSU classes will begin on Monday, August 27th. Be ready for heavy traffic!
- No school on Labor Day which is Monday, September 3rd.
